Voters pick city, park & village leaders

By GARY SCHNEIDER
Press-Record Editor

While most incumbents fared well in Quad-City area voting Tuesday, two Granite City aldermen fell to challengers, one by only three votes and the other by a margin of two-to-one.

Alderman Walter Milton, chairman of the city council's finance committee, lost by only three votes in the city's Sixth Ward to Woodrow "Woody" Moad in a three-way race won by Moad with 501 votes. Milton with 546 and Ross Halbrook with 325. Milton also was a key member of the city's negotiating committee.

Fourth Ward Alderman Warren Decatur, another member of the finance committee, also lost his bid for re-election. Phillip Miller tallied 326 votes to 356 for Decatur in a race that was marked by many factors.

Decatur lost favor with both the factions headed by Mayor Paul Schuler and by the Partney family when he ran for mayor against Schuler and Daniel P. Partney in 1981.

The city's sewage treatment plant also may have been a major element in Decatur's defeat. Miller has a brother who works at the treatment plant and employees there contend that Decatur had been pushing the plant as a "boy" for politics since the 1981 city election. Some employees at the treatment plant told the Press-Record they planned to actively campaign against Decatur and for Miller.

Former Fifth Ward Alderman Lloyd Bailey easily won the right to return to the council, gaining more than twice his total vote in the council. Bailey tallied 393 votes. Barbara Elmore 193 and La Verna Corbitt 134 votes in that race. Mrs. Margaret Nonn is retiring from the position.

There was no opposition in the other four city wards or for the city's superintendent of streets. Mac Warfield. Warfield tallied 4,604 votes to re-

tain his post for another four years. He has been serving by appointment since former superintendent Lionel Portell resigned to accept a similar post in St. Peters, Mo.

Unopposed aldermen re-elected were Everett Morlen in the First Ward with 225 votes, Samuel Whitmer in the Second Ward with 405 votes, Paul Fisk in the Third Ward with 346 and Michael Modrusic in the Seventh Ward with 732 votes.

MADISON RESULTS

In Madison, incumbents won re-election in a campaign that showed general support for the current city administration. The Press-Record endorsements suggested that those satisfied with the city's current direction voted for the incumbents and those dissatisfied with the administration voted for challengers.

Administration-backed candidate Paul Ashford, incumbent, tallied 300 votes to earn re-election in Madison's First Ward. Challenger Frank Marschke garnered 224 and Alfred Endicot, who had withdrawn from the race, received 15 votes.

In the Second Ward, Robert Grieve, who had the backing of the city administration, tallied 285 votes to defeat Jim Riskovski with 109 votes and Thomas George, 226 votes.

Alderman William Gushleff in the next Third Ward defeated challenger W. F. "Mick" Strange with 311 votes to 223 for Strange to 223 for Strange.

Incumbent Alderman Donald Garrett, who was unopposed in Madison's Fourth Ward, earned re-election with at least 120 votes. Madison city officials said they did not keep track of Garrett's votes, since he did not have opposition.

BALLOTTING IN VENICE

In Venice, Incumbent First Ward Alderman Phillip Daniels defeated Phillip Johnson with 88 votes to 88.

In the Second Ward, George Mangiaracino, the incumbent, defeated Richard King by a relatively narrow

margin, 398 votes to 328. In the Third Ward, Incumbent Alderman George Lewis was unopposed and received 190 votes.

Fourth Ward Alderman Victor Valentine Sr. topped challenger Samuel Hilton, 355 votes to 149 with 10 abstentions.

WATER SLIDE APPROVED

Venice Park District voters approved a \$200,000 bond issue to build a water slide, bumper boat area, concession stand and bathhouse and to make general improvements in Lee Park. The voters cast 695 yes votes on the proposition to \$36 no votes.

They also supported the incumbent park board member who was most vocal in support of the water slide, Earl Hogan, who defeated Thomas Scaturro for a six-year term on the Venice Park Board by a vote of 600 to 27.

Calvin Ratliff, who was unopposed for a four-year term on the park board, tallied 822 votes.

GC PARK BOARD RESULTS

Two incumbents won nearly six-year terms on the Granite City Park Board, but challenger Nancy Sanders defeated incumbent Richard Reinhardt for the two-year unexpired term with 3,000 votes to 1,826. Reinhardt had been serving by appointment since March 1982.

Incumbents John "Jeff" Worthen with 2,746 votes and Brian Loman with 2,746 votes defeated challengers Gary Grandiller, who had 1,295 votes, Augusta Bristol with 492 and her husband, Jerry Bristol, who tallied 432. Loman has served on the board for 32 years. Worthen will serve six years.

PONTOON BEACH VOTING

The incumbents of the Continued Village Improvement Party won re-election in Pontoon Beach. That full slate was unopposed, except for Village Board President Paul Bennett, who tallied 315 votes to 85 for challenger Don Watson.

Including 256 straight party votes, other members of the party re-elected were Village Clerk Mary Warren with 369 votes and Trustees Glen Wilson with 365, Linda Johnson with 360 and Keith Biggs with 358.

COMMERCE COMMISSION

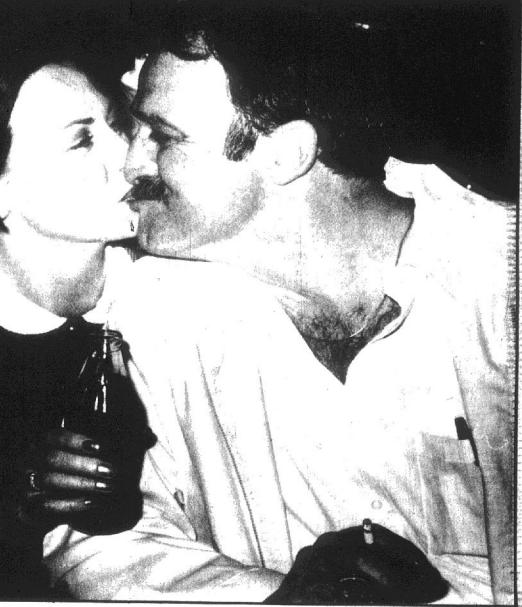

Granite City voters overwhelmingly approved an advisory referendum suggesting that the Illinois Commerce Commission be changed from a body appointed by the governor to one of elected members. The referendum,

which had 4,231 yes votes and 543 no votes, is not binding on the state's General Assembly.

The ICC regulates the rates public

utilities can charge for service and has been under fire in much of the state since large increases for natural gas and electricity were granted to utility

companies, including Illinois Power Co. Additional details on Quad-City area balloting Tuesday may be found inside today's Press-Record.

THE WINNER'S REWARD. Phillip Miller, the winner of the Ward Four Aldermanic Race in Granite City, receives a kiss from his wife, Mary, during his victory celebration

Tuesday night. Miller defeated Warren Decatur, the incumbent, by a vote of 928-356 in Tuesday's city election.

(Press-Record Photo by Roger Kramer)

TAKING IT EASY. First Ward Alderman Everett Morlen, left, and Second Ward Alderman Samuel Whitmer, right, relax in the Granite City City Clerk's office while votes are being counted in their city aldermanic elections. Morlen, displaying a victory sign, and Whitmer could relax, because the two were unopposed in their bids for re-election to the Granite City Council.

'Stash the Trash' drive is Saturday

Volunteers will make an all-out effort to clean up the Quad-City area Saturday in conjunction with the national "Keep American Beautiful Week," scheduled for April 17 to April 23.

There will be 800 Girl Scouts, 500 Boy Scouts and members of the Sunbeams and Girl Guides representing the Salvation Army, in addition to the cleanup debris scattered along the highways from Venice to Mitchell and Pontoon Beach, as well as at many school sites.

Ray Edwards is general chairman of the project, sponsored by the Tri-Cities Area Chamber of Commerce.

For pick-up service of larger items such as stoves, refrigerators, lawn mowers, tires and others, the individual cities will donate a truck to provide the service at various dates during the week of April 18 to April 22.

Residents will be entitled to include tree limbs or shrub cuttings,

petrol chemicals, paints or toxic waste materials, tires or car bodies, as these will not be picked up in any of the participating areas.

Volunteers who collect trash along the highways in Mitchell are being asked to leave the tied bags at the edge of the roadway for pickup. Residents may call City of Mitchell Highways Commissioner's office, 921-6233, during the weekdays of April 18 to 22 for collection of larger items. There also is to be a parking lot, 697 N. Thorngate Drive, Mitchell, for the convenience of those who wish to deposit trash bags.

Pontoon Beach residents are being asked to leave all trash bags and larger articles at the edge of the street and pick-up service will be continued during the passage of the alleys with bags or larger discarded items. A pickup service is planned for the April 18 to 22 and for additional information residents may call Rob Robbins at 876-8989.

Venice will follow its regular route days for weekly pickup, but, if any resident has larger items or trash for the cleanup campaign, they may to call the Granite City Street Department at 452-6222 during the cleanup task between the hours of 8 and 11:30 a.m. and 12:30 to 4 p.m., according to Mac Warfield, street superintendent.

There also will be a dumpster at the street department, 2301 Adams St., for anyone who wishes to deposit trash bags during the week long project. Warfield added.

Madison homeowners are being asked to put trash bags in the alleys, if that is normally used for collection, but signs made available for the passage of the alleys with bags or larger discarded items. A pickup service is planned for the April 18 to 22 and for additional information residents may call Ray Edwards at 876-8989.

Venice will follow its regular plan for pickup with bags in the alleys and alleys. Special pickup service will continue throughout the week.

Residents may contact Tom Scaturro at

877-0520 for further information.

The clean-up campaign is designed to encourage homeowners or apartment dwellers to clean up basements, garages, paint and fix-up wherever possible in preparation for the spring and summer time.

This year, there will be only one distribution center to get trash bags, paper, cloth, soft plastic and cartons, that being the Chamber of Commerce office, 1831 Delmar Ave. The office will be open Friday, April 15, from 4 to 7 p.m. and Saturday, April 16, from 8 a.m. to 1 p.m., for those who are involved in the campaign.

Scout citizens are being invited to take part in the project by alerting their neighbors and friends to "pick up and clean up" areas around their homes.

In the event of an emergency at the pickup area, adults accompanying groups of Scouts are to notify a React team. React will be moving slowly with red streamers. React signs and

(Continued on Page 11)

Income tax deadline

Tomorrow, April 15, is the deadline for taxpayers to have their tax returns in the mail or face penalties.

For those who wait until 5 p.m. closing of the local post offices, the Granite City Post Office has anticipated the potential dilemma and planned ahead to assist taxpayers. Mail boxes in front of, behind and on the 24th Street side of the U.S. Post Office, 1200 Main Ave., will be collected at midnight and the tax returns postmarked by the midnight deadline, it was announced.

Taxpayers receiving Social Security benefits who worked and earned more than the earnings limit during 1982 also are reminded to file early to avoid late fees.

Also, individuals who have been unable to file reports of their earnings with the Social Security Administration by April 15.

The report must be accurate and reflect realistic planning, a spokesman for the office of East St. Louis said.

Also, individuals who have been unable to file reports of their earnings with the Social Security Administration by April 15.

Persons who have added to their homes, started a garage or other structure and persons who have had problems in the past with assessments of their homes are particularly urged to contact the assessor's office at 877-6150 by tomorrow.

WINNERS CONGRATULATED. The Madison Fire Hall was the scene of an election get-together Thursday night as candidates, politicians and friends waited for the results from various precincts. In the center is Robert Grieve, who won the Ward Two race, defeating

Thomas George and Jim Riskovski. At right is William Gushleff, who won the Ward Three race by defeating Walter F. "Mick" Strange. Victory was evident early in the evening for both winners. Sharing in the congratulations is Alderman Christ Costoff.

Principal Cal Bartels will retire

Calvin Bartels, longtime principal of Prather Junior High School, will retire from the Granite City school district in June.

The number of buildings utilized as seventh-eighth grades junior high schools will decrease from three to two in 1983-84.

Also retiring will be Elizabeth J. Edwards, who is completing 31 years of employment in education. She is a middle primary teacher at Niedringhaus School.

Other end-of-year retirements approved by the Granite City School Board on Tuesday night were those of Eugene Farley, a Niedringhaus High custodian, and Evelyn Bringer, a Niedringhaus cafeteria employee.

Ronald L. Coleman, previously honorably resigned as of March 31. He is a former Webster School intermediate teacher.

Coleman commented, "Some of my most memorable and enjoyable experiences have come to me during the ten years I taught in District Nine. To say that I enjoyed this period of my life is an understatement. My love for teachers, the administration, the children and the community have been tremendous."

Planning to retire in June 1986 is Mrs. Agnes Fryntzko, principal of Parkview School.

Richard Huff, a Grigsby Junior High physical education teacher, was named to serve as Grigsby assistant track coach this spring.

The Illinois Basketball Coaches Association congratulated Coach Jim Davis of Grigsby on being selected as IBCA junior high "coach of the year" in District 9. He will be honored at the 11th Annual Hall of Fame induction dinner April 30 at Illinois State University, Normal.

At the request of the Johnson School PTA, equipment for a new art unit for Johnson will be utilized at the two schools where Johnson pupils will be reassigned. Mitchell and Pfeifer will be assigned.

A letter from Mr. and Mrs. J.R. Hildreth asked that extra care be taken in selecting and assigning 1983-84 special education teachers, to ease the impact of school consolidations on young students.

The Southwestern Illinois Law Enforcement Commission praised Maryville School Principal Jack Mulach as the leading elementary principal on the state's abuse index. Madison, St. Clair, Bond, Washington, Randolph, Monroe and Clinton counties.

A pilot project at Maryville School is cited as likely to aid this region in fighting chemical dependency among grade school children. "We cannot afford to lose this war," J.W. Bennett, SILEC training manager said. "We need the upper grades in too many communities for too long."

The board authorized State's Attorney Don W. Weber of Madison County to file a hybrid civil and criminal complaint against 10 students from Granite City students on an essay and poster contest focusing on drug abuse. Participation by pupils on a voluntary basis was approved.

A letter from Mrs. Ruth Biles praised Mrs. Anita Speer of the Logan faculty and urged that the district limit class size to 25 in the first three grades and kindergarten.

A statement by Lee Thomas called for retention of Mrs. Merna Musterman as coordinator of the gifted program.

Conclusion of Nameoki probe today considered unlikely

By NANCY WEIL
of The Press-Record

A Madison County grand jury probably will not make a decision today on its Nameoki Township investigation, the Press-Record has learned.

The investigation has "broadened into 'specific instances' of alleged misuse of funds," the source said.

Since the probe started, investigators have accumulated more evidence than first suspected, sources close to the probe say. Because of this, the investigation could take longer than had been anticipated.

There still is a remote

possibility that a decision could be returned, but the source said her sources doubt that the grand jury would be prepared to end the investigation today. There are indications that the grand jury may split its time today between other county issues and the Nameoki Township probe.

The investigation currently includes the possible misuse of both township funds and federal Community Development monies. Sources have maintained that the misuse of Community Development monies involved less than \$10,000.

As the investigation in-

volved in various misuses and could increase.

Sources previously said that the inquiry would involve certain sewers in the township, but now say that the investigation is focusing more on the misuse of funds and less on specific equipment.

Purchases that were not specifically indicated on invoices forms still are being considered and that is one aspect in which the probe is developing. Alleged misuse of equipment purchased with township funds remains a main consideration, it is believed. Sources said that much of the equipment in question was purchased for Community Development equipment.

The investigation originally was thought to mainly concern the alleged pilfering of gasoline. Sources did not discount that aspect of the probe and have indicated that the alleged pilfering of gasoline occurred over an extended period and therefore could total to more than previously thought.

The grand jury last met March 24 before taking a two week recess.

The annual Nameoki Town Meeting has a reputation for being lengthy and heated, but Tuesday evening, officials and residents had a smooth meeting. Every item on the agenda, including a resolution to set aside \$2,000 per month for a year to fund an environmental cleanup program. (See related story elsewhere in this publication.)

The money will come from anticipated receipts

AVIATION COURSE HAS OPENINGS

Openings still exist in Belleville Area College's Aviation Maintenance Technology program for airframe and powerplant sections. The sections begin Monday, April 10.

The Aviation Maintenance Technology program gives students the opportunity to obtain the Federal Aviation Administration Airframe and Powerplant certificates in the first year of study and an associate of applied science degree with an additional semester of classes in the second year.

The program is located at 3431 1/2 Mississippi Ave., Cahokia. For information on the program, interested persons may contact Pak Tong Mai, Paul Greenwood at 1-718-2700, extension 352, 1-337-7189 or 398-0759.

STEEL SANDER

A vibrating sander worth \$100 was stolen from the garage at the home of James Gleason, 2553 Center St., it was reported during the weekend.

Each vote here was important

As in many past elections, Tuesday's municipal and park voting here spotlighted the importance of each individual casting a ballot.

The most dramatic example was Granite City's Sixth Ward, where Ward 6 Ward edged Walter Miller 540 to 546 to win election to the seat.

In the Second Ward of Alton, a three-way race was won by a margin of 59 votes; the winner garnered 45 percent of the ballot total.

Venice's Second Ward aldermanic competition was decided by 70 votes.

Aware that even the counts, and often counts a lot, were crucial, hopefuls in the local municipalities spent a lot of time knocking on doors and discussing issues with the residents. Those who do not "sound the pavement" in their wards usually end up wishing they had.

Although the point about voting's importance can best be made in small voting areas, it is also true regionally, statewide and nationally. It will be recalled that in 1968 a few Chicago area votes tipped the scales in Illinois to John F. Kennedy, who could not have gained the presidency without this state's electoral votes.

As to Tuesday's results, it is hard to argue with voters' decisions, particularly where there was a big turnout. The whole purpose of the voting process, after all, is to determine the will of the majority.

Many dramatic and diligent people gained public office for the first time or were re-elected. We wish them well for the next four years and sixteen terms. Economic conditions will make it difficult for them to be effective, and they will need citizens' continuing support, contact and ideas.

Incumbents fared well in most instances. This is understandable, since they had enjoyed the opportunity to serve and demonstrate their value to public.

Those candidates who had no nominees may wish to try again in the future. Many of our nation's most successful politicians can look back on one or more defeats early in their careers.

In the three cities as well as in the village of Pontoon Beach and the Granite City and Venice park districts, voters indicated they were satisfied generally with current government policies.

Concern over rising utility rates led to an overwhelming vote in Granite City favoring election rather than appointment of Illinois Commerce Commission members.

Venice voters showed willingness to expand and improve their park facilities. The spending program they authorized was one of only a few that succeeded in this region. Alton and Highland school proposals lost.

Before a boom, a bit of gloom

Why is the governor pushing for big, permanent tax increases? Because he is genuinely pessimistic about Illinois' economy, he says in presentations prepared for April 7 and 14 appearances by Budget Director Robert Mandeville before the Senate Committee on Budget.

The chief executive may be wrong, or right, but legislators and citizens need to be aware of and to evaluate the assumptions behind the currently pending revenue proposals. This background needs full airing before a final vote is taken on next year's state budget levels.

Governor Thompson expects unemployment in our state to remain 2 percent higher than the U.S. rate in 1984 and 1 percent higher in 1985 and 1986.

He sees wages in Illinois growing more slowly than in the 1970s because inflation will be less, employee contract settlements may be less than inflation, and there will be a continuation of the trend toward fewer high-paying jobs and more low-paying positions. And wage levels of state and public workers will have a big impact on the volume of state governmental revenue.

As Thompson sees it, "The world economy is undergoing fundamental change. The changes are not yet fully understood but are impacting both the U.S. and Illinois economies."

"Traditional manufacturing processes are being relocated to other countries. Consequences to the U.S. include high unemployment, a decline in traditional industries like steel, textiles, consumer electronics and autos, and increasing problems in the nation's balance of trade. Illinois has been particularly hard hit."

"Economic growth in both the U.S. and Illinois will be slower than in the past. It is also possible that economic growth in the next years will be 'start and stop,' as it has been since 1980."

"We think the national economy will begin to grow slowly after four consecutive years of little or no growth. The growth in gross national product is assumed to rise by about three percent."

"U.S. unemployment is assumed to decline from 10 percent in 1984 to eight percent in 1987. Economic growth is expected to continue throughout 1984-87 without another recession. The inflation rate is assumed to remain at 4 percent. Unemployment projections will probably be lower," the governor concludes.

He admits that he is taking a conservative, even gloomy look ahead. His point is that Illinoisans must keep in mind that whatever tax rates are set, they are unlikely to draw as much income to state coffers as would be the case in boom times.

Out of shape for space flight?

Hey, you out there jogging along the street, lifting weights, riding bikes, dancing aerobically and eating healthy food! You can be overjoyed, you know, that the National Aeronautics and Space Administration's Ames Research Center in Mountain View now tends to believe that physically fit persons may not have the right stuff for space travel after all.

A preliminary study shows that NASA has been on the wrong track in seeking out fit young fighter pilots for space travel, believing they would be better able to tolerate the strains of re-entry into Earth's atmosphere.

"Now we're thinking that high condition may not be the best adaptation," says NASA's Dr. Danielle Goldwater.

Those once believed most fit for space travel — with low heart rates and flexible muscles and veins — have a re-entry problem. Blood tends to pool in their legs until their bodies readjust to gravity's pull — and this starves the brain of much-needed oxygen.

Perhaps the next astronauts will be a little pudgy around the middle, tend to suffer a touch of high blood pressure and hardening of the arteries.

Maybe we slob who do little physically except shout and stamp our feet while watching TV football soon will be soaring into space, high above buildings.

Never too late to get into training for a career as an astronaut. There's a six pack in the cooler.

Reminds buyers—city tax on autos is \$3.75

To the Editor:

"Three dollars and seventy-five cents! That's the most City tax that any car buyer pays when a car is purchased at a Granite City dealer ship."

"Irresponsible car

salesmen outside our area are trying to lead shoppers to believe that the Granite City tax is the only possible amount to hundreds of dollars. This is just not true!"

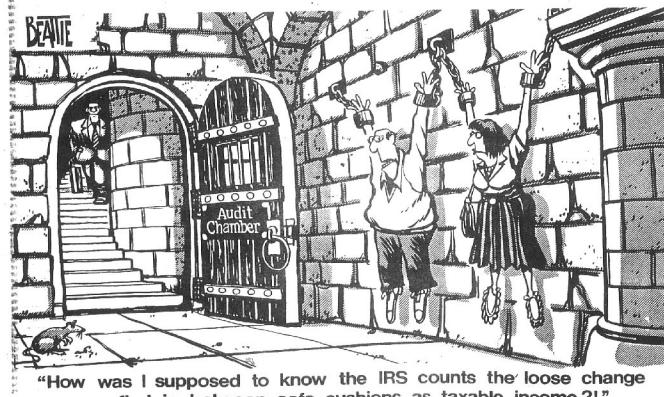

The maximum city tax is only \$3.75 — a very small

amount to pay for the security, service and satisfaction that comes with making a major purchase from a local dealer.

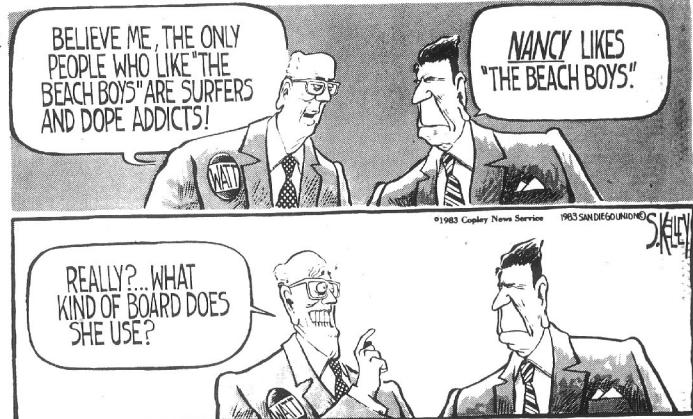

I just want to keep the records straight so that the next time someone says a

car buyer pays more tax in Granite City, he'll know just how much more that tax is. It's \$3.75, or less.

H. J. "MAT" MATSON, President, Granite Chrysler-Plymouth, Inc.

"How was I supposed to know the IRS counts the loose change you find in between sofa cushions as taxable income?!"

MELVIN DEPEW

As a change of pace from the serious issues of the day, people in Granite City asked Wednesday about the efforts of Secretary of the Interior James Watt's efforts to keep the Beach Boys from playing in Washington, D.C. Their reactions follow:

Terry Bauser, Granite City

"I think the guy's wrong. The Beach Boys are a part of our generation's tradition. I think he [Watt] always puts his mouth in action before his mind."

Gayla Stone, Madison

"I think the Beach Boys should play anywhere they want to because a lot of people enjoy watching their show. All teenagers don't do drugs or get drunk. I think some people are trying to stereotype young people."

Colleen Kosek, Granite City

"I think Watt should try to get a cross section of all kinds of music, including the Beach Boys. Why shouldn't they be able to have bands that would please all of the people?"

Melvin Depew, Granite City

"If they allow country and western and other kinds of music, they should let rock and roll in the festival too. I don't think the drug problems is as big as they think it is. A lot of times, things are blown out of proportion."

Percy working hard for port, second lock, more jobs, new harbor, benefits for citizens

To the Editor:

I'm afraid that some of your readers may have gotten the wrong impression from your March 17 editorial, "Dear Mark: Don't Forget GC."

That editorial referred to a letter I had written to Senator Mark Hatfield, chairman of the Senate Appropriations Committee, urging him to make sure that 75 percent of the federal funding in the jobs bill went to states and areas with the highest and longest term unemployment.

To me, it made absolutely no sense to have a multi-billion-dollar bill to help people get back to work if the money was not actually going to states like Illinois where the largest numbers of people were without jobs.

To emphasize my point I have a U.S. map. As you can see throughout our state has run much higher than the national average. I listed for Senator Hatfield the double-digit unemployment figures in the 12 largest cities in Illinois.

Obviously, if I had included Granite City and 30 other cities in Illinois, the figures would have further driven home the point that targeting of federal jobless funds is crucial to helping those who are hardest hit by long-term unemployment.

Sen. Hatfield has agreed

to my point and I am pleased that the final version of the jobs bill, signed by President Reagan, targets 75 percent of the total funding to areas like Granite City with particularly high unemployment.

Included in the targeted amount is \$3 million for runway construction at Big Muddy Park Airport as well as \$3 million for improvements at Scott Air Force Base in St. Clair County.

While these projects are not in downtown Granite City, they are close enough to help reduce unemployment in the area.

The jobs bill is not a panacea. As I mentioned at the Madison County Lincoln Day dinner one day after I wrote to Mark Hatfield, I continue to do all I can to help create jobs in Madison County.

Workshop on thinking positively

The Office of Student Activities at SIUE has announced a series of workshops for students, staff and the general public during the spring quarter.

A seminar on "Thinking Positively" will be led by Leonard Van Camp, professor of music at SIUE, on Tuesday, April 19, in the Mississippi Room of the University Center from 1:30 to 3:30 p.m.

"Forum on Campus Crime Victims, Offenders, the Law" will provide information on police, safety and alcohol policies at SIUE and describe ways for individuals to protect themselves and their personal and University property. It is scheduled Thursday, April 28, from 1:30 to 3:30 p.m. in the Mississippi Room.

On Friday, May 6, a workshop on "Group Problem Identification and Solving" is scheduled from 1:30 to 3:30 p.m. in the Mississippi Room. It will cover ways of solving problems such as conflict management. Richard McKinney, professor and chairman of management at SIUE, will speak.

All the workshops are free of charge.

WINN COMPETITIVE GRADUATE AWARDS

The Graduate School of Southern Illinois University at Edwardsville has announced 25 recipients of 1983-84 competitive graduate awards, according to Floyd Coleman, associate dean of the School. They include Jane Marshal of Granite City.

The award is intended to recognize and encourage those students who have shown outstanding potential as revealed through past academic records, letters of recommendation, and other evidence of outstanding achievements. Coleman said. The competitive graduate award carries with it a stipend of \$400 per month and remission of tuition and some fees for the nine-month academic year beginning in September.

37,200 pounds of cheese given out in seven hours

By Valerie Evenden
of the Press-Record

No one is sure how the Salvation Army manages to accomplish the task of distributing huge amounts of cheese and butter, with a minimum of fuss, but a lot of elbow grease must be afforded by the "army" of volunteer workers, according to Jim and Sue Rutter, acting commanding officers.

Rutter, Salvation Army social worker, also praised the volunteers when she reported Tuesday that a recent total of 38,400 pounds of cheese in five-pound blocks, plus a major portion of 38,400 pounds of butter, was given out to eligible area residents Monday.

The Salvation Army agreed to take care of the butter and the free dairy products in March. Granite City's eligible families had been without the free cheese program since last fall while other area townships were receiving shipments on a regular basis.

Salvation Army Captains Donald and Barbara Walther, former commanders here, stressed that they had seen the situation to state officials and arranged for cheese shipments to be resumed to Granite City prior to the officers leaving the community last month.

For a assignment.

Among the volunteers assisting in the cheese and butter distribution program are Carol Ausman, Pammarie L.aurie, Bruce Vi Buchholz, Annette Calvin, Doug Calvin, Shirley Causey, James Cravens, Carol Feller, Linda Johnson, Connie Ernestine Hahn, Calvin Hall, Dorine Harper, Carol Gilmore, Willie Reynolds,

Nina Hull, Edward Hough, Ralph Hennard, Mary Dove, Richard Cox, Roger Pitts, Raymond Pitts, Sid Townes, Helen Townes, Jim Kelller, Keith Rutter, Emma Roberts, Lynn Roberts, Mary Rooney, Nedra McAmish, Bob Renick, Mike Patton, Glenna Stagg, Leola Tucker, Glenn Tucker, Marvin Moore, Frances Rossi, Liz Moore.

One five-pound block of cheese is given to individuals and families consisting of two or three people, up to three five-pound blocks are received by families with eight or more members.

Until the Salvation Army agreed to take care of the butter and the free dairy products in March, Granite City's eligible families had been without the free cheese program since last fall while other area townships were receiving shipments on a regular basis.

Salvation Army Captains Donald and Barbara Walther, former commanders here, stressed that they had seen the situation to state officials and arranged for cheese shipments to be resumed to Granite City prior to the officers leaving the community last month.

Venice City How they voted

In the city of Venice, voters picked aldermen in four wards, three of which had opposition.

Preliminary totals reported by the city clerk showed Philip Daniels defeating Willie Johnson 120 to 89. All votes were cast in Venice Precinct One (the park office).

In Ward Two, George Mangiaracino, the incumbent, defeated Richard King 398 to 328. Mangiaracino's vote included 204 in Precinct One and 194 in Precinct Two (St. Mark's Church). King received 169 votes in Precinct One and 169 in Precinct Two.

In Venice's Third Ward, George Lewis was unopposed. He received 196 votes all from Venice Precinct Four, according to the city clerk.

In the Fourth Ward, Victor Valentine Senior was re-elected with 289 votes, including 42 in Venice Precinct One and 11 in Venice Precinct Two. Challenger Steven Hilton received 149 votes, including 23 in Precinct One and 126 in Precinct 11.

A total of 1,210 persons cast ballots Tuesday in the Venice city election.

Anhydrous ammonia has a boiling point of minus 28 degrees Fahrenheit. It can cause burns by freezing and caustic action. One squirt in the eye can blind a person.

Federal standards require that you carry a five-gallon container of water with any ammonia transporting vehicle.

If you receive ammonia in the eye, flush the eye continuously for 15 minutes with water. This flushing must be started immediately after an accident.

It is important to keep a small container of water such as a squirt bottle with you at all times. If you are blinded by a sting of ammonia, you may need the small water container later and also kicked him, the boy told police.

BAC offers human development workshop

"Negative Criticism and What To Do About It," a workshop by Sid Simon, will be Monday, April 18, at Belleville Area College.

The free workshop will be from 9 to 11:30 a.m. in the theater in the main campus, 2501 Kyle Road, Belleville. Reservations are not needed.

Simon's workshop will focus on how people develop concepts of right and wrong

professor at the University of Massachusetts in Amherst, Mass.

The workshop is being sponsored by Belleville Area College, McKendree College and Belleville Area Chapter of the American Association of University Women.

For additional information or directions, interested persons may contact Dale Ann Cole, 1-235-2700, extension 205, or Dennis Sparr, extension 318.

Ammonia handling hazards outlined

By RONALD CORNWELL
County Farm Adviser

Madison County farmers using anhydrous ammonia this spring as their source of nitrogen should be aware of necessary safety precautions.

In the Fourth Ward, Victor Valentine Senior was re-elected with 289 votes, including 42 in Venice Precinct One and 11 in Venice Precinct Two.

In Venice's Third Ward, George Lewis was unopposed. He received 196 votes all from Venice Precinct Four, according to the city clerk.

In the Fourth Ward, Victor Valentine Senior was re-elected with 289 votes, including 42 in Venice Precinct One and 11 in Venice Precinct Two.

A total of 1,210 persons cast ballots Tuesday in the Venice city election.

Anhydrous ammonia has a

GRADS GOLD CHAIN FROM BOY'S NECK

A 14-year-old Granite City boy told police at 9:15 p.m. Monday that he was approached outside Tracy Kemp's Karate School, 20 1/2 South Madison, by a youth who wanted some karate stars returned.

When he was unable to

comply, the youth grabbed a gold cross and chain, valued at \$270, from the boy's neck, saying they would be returned later and also kicked him, the boy told police.

AEROSPACE SPAKER

The 18th Grade School will sponsor a visit to the campus tomorrow by Ronald Haybron, aerospace specialist for the National Aeronautics and Space Administration, who will speak on "Future in Space" at 9:30 a.m. in Room 2405 of Peck Classroom Building. The public is invited to attend.

March of Dimes Walk-A-Thon to be on April 23

The 1983 March of Dimes Walk-A-Thon will begin at the Granite City Army Installation, off the Niedringhaus Avenue — Route 3 highway. Last year's walk was one of the most successful walks in the Metro-East area, netting almost \$3,000 in proceeds.

The scheduled date for the 1983 walk is Saturday, April 23, beginning at 9 a.m. The Granite City Walk is in coordination with the walk held nationally and thousands of youngsters and adults will participate April 23.

This year's local poster child is Vicki Tanksley, the daughter of Harold and Linda Tanksley, 2520 Westmoreland Drive. Vicki will be present the day of the walk at the Army Depot.

The purpose behind the walk is to raise money to fight birth defects. The money goes to medical and scientific research, the encouragement of professional education in the area of birth defects and the promotion of prenatal care.

Individuals have sponsors pledge a certain amount of money for each kilometer walked. This money then is collected after the walk. For those who are able to turn in the most money, prizes are awarded.

This year's prizes include a video computer system, pocket calculators, Cardinal baseball tickets, Six Flag tickets, frisbees and many more. Sponsor forms are available.

GOLD WATCH GONE
Edward Adams, 2025 Delmar Ave., said a gold wristwatch valued at \$200, given to his father upon retirement, was stolen from his home during the weekend.

WATER SLIDE WINS. Venice voters cleared the way Tuesday for construction of a Lee Park water recreation area, which will feature (above) a two-story twisting water slide.

Rough ride to victory for water slide issue

By GEORGEANN MCGEE
of the Press-Record

Venice Park District residents approved a \$200,000 water recreation area proposal Tuesday by a relatively narrow margin, 607 to 530 no.

Incumbent Earl Hogan, a supporter of the Lee Park bond issue, won a more comfortable 602 to 427 victory over his opponent, Scaturno, who also was anponent of the water slide project.

Both results were a "sweet victory" for John Henry Williams, park board president, who worked closely with Hogan and who extensively campaigned for the water recreation proposal.

The president immediately announced plans for a "big day" to use the public's support to dismiss some employees in a top-to-bottom park district shake-up set for next month's annual reorganization meeting. "We need to have people in place that are working for us," Williams said. "I feel shaky about some of them."

The president would not name those he wants out, nor give details of specific grievances against particular employees. He did say the matter goes deeper than the recent park recreation issue and made vague references to instances where employees failed to follow board instructions. "We've got to weed out the bad apples."

Hogan's campaign promises included a pledge to clean house on Wednesday, he renewed his intentions to both sweep out ineffective employees and spruce up Lee Park's facilities.

We want citizens to come back to the park and go on picnics," he said. "There's a lot to do and we're going to do it."

The plan was dependent on his election, he said, since the sweeping changes will take a full board effort.

The duel victories of Hogan and the park bond issue were attributed to support from Venice's Fourth Ward. The president said Fourth Ward Alderman Victor Valentine Sr. was the only city official to publicly back the park's recreation plan. Valentine also won reelection by nearly two-to-one margin Tuesday.

The president is planning a victory rally sometime next week to celebrate passage of the the bond issue and to finance a 24-foot-high water slide, an adult bumper boat area, an all-purpose bath-

house and concession building, playground equipment purchases and general park renovations.

The president asks that people who opposed the project join now supporters at this stage. "Not only the park, but the people need redevelopment," according to Rev. Valentine.

He plans to start work on the recreation area as soon as possible, but will wait until May's reorganization meeting before trying to sell bonds or solicit bids for the project. The park will keep people to work in the recreation area, he commented.

"I'm excited," Williams said. "The citizens will never regret their choice. It will bring jobs... benefits and a beautiful park."

The president was dependent on his election, he said, since the sweeping changes will take a full board effort.

GC man sent to Vandalla to Vandalia

Appearing in the Granite City Court at 2:30 p.m. Monday, Gary W. Catterson, 25, of 1729 Edison Ave., entered a guilty plea to charges of reckless conduct, unlawful use of a weapon and battery. He was sentenced to serve 364 days at the Vandalla correctional institution.

Catterson asked officers to arrest him at 2 a.m. April 3 in the 1700 block of Edison Ave. He reportedly knocked at the door of Sylvester Torres, also of the 1700 block of Edison, and rushed in, pushing Torres down and placing a butcher knife against the victim's chest.

Torres, who suffered a slight puncture wound and cut to his chest, told police Catterson allegedly chased him around the house, leaving the area, coming back a few hours later, saw the two men and yelled from a window.

Catterson sustained cuts to his hands, but initially declined medical attention when taken to St. Elizabeth Medical Center.

On the same day as his arrest, he was taken twice more to the medical center, where he was admitted to undergo surgery on the third visit. He remained at the hospital until being released to police custody April 10.

YOUTHFUL RELATIVE GRABS PURSE, RUNS
Margaret Koenig, 2122 Bryan Ave., reported at 11:40 p.m. Monday that a youthful relative pushed her onto the bed, grabbed her purse and ran after she refused to give the person a note and some stamps.

The purse contained about \$20, a bank card, billfold and keys, the woman said.

Deputies nab suspect after woman reports assault

A Granite City woman was forced to perform a sexual act on a man who threatened her with a knife before taking her to a motel near Chain of Rocks Road, she told Madison County authorities Tuesday at 3:55 a.m.

A suspect from Kansas City, Mo., was in custody Wednesday pending an investigation.

The victim, a 33-year-old housewife who lives on Washington Avenue, was staying with a friend from a tavern on East 25th Street and was about a block from her home when a car pulled up next to her and a man told her he had a knife and would cut her if she did not get into the vehicle, she reports said.

She alleged that he drove to the Land of Lincoln Motel, Interstate 270 and Route 3 and then went into the office area, apparently to check in to a room. Entering the motel, she said the man became aggressive and cursed her.

When he went into the office area, she ran from the vehicle toward Route 3, and he chased her in the car, she said.

The victim alleged that he

Former resident retires at GCS

Carl C. Fornville deSoto, Mo., a former local resident, retired last month from Granite City Steel, where he was employed 33 years.

He and his wife, Wanda, left Granite City for a farm near deSoto. They are the parents of four children, Jeanie, Lona, Robert and Douglas.

The couple is planning to travel and "tumble in raising cattle and horses" during his retirement years, Fornville said.

"For once in my life I can control my own time, rather than be at the clock controlled by me," the recent retiree commented in a note to the Press-Record.

Fornville worked in the steel plant's open hearth and BOF departments after joining the company in 1949 until retiring.

Reservations due for dinner

Reservations are due Friday from persons wishing to attend the May 20 dinner dance honoring Robert D. Todoroff, retiring band director at Granite City High School North, who also is football coach at Coolidge Junior High.

Cost of the dinner and dance is \$10 per person and reservations still may be secured by calling Mrs. Wilma Bowen, at 797-0314, or Mrs. Joann Gaumer, 39-3682.

All current and former band students, members and former members of band parents' groups and friends and colleagues of the retiring director are invited to attend the event.

A full evening of entertainment is planned May 20 at August's Restaurant, Belleville, Mrs. Bowen said.

Mrs. Arlene Haldeman gives book review

Mrs. Arlene Haldeman reviewed "Chickasaw Sunday," by Rosemary Taylor, at the bi-monthly meeting of the Laureate Alpha Gamma Chapter of Beta Sigma Phi Sorority.

The story is set in Tucson, Ariz., in the early 1900s century, a community which still clung to its wild frontier way. The parents set up housekeeping, and reared a family here under extreme pressure.

The book describes how the Taylor family coped, thanks to the mother's ingenuity and practicality, in converting every bit of available space to the needs of their home, which enabled the family to remain financially solvent and together.

Mrs. Haldeman found this book among the effects of her mother, and it much more vividly recited as her favorite volume, it was announced.

President Delores Dorch conducted the meeting in the home of Mrs. Dolores Eason in Troy. Reports by Ruth Stoyanoff, treasurer, and Pat Tsigolaroff, treasurer were read and approved.

Notification of the approval of the by-laws by the Illinois State Council, Kansas City, Mo., was received. Eugene Forrest distributed copies of the by-laws to members.

Open House Sunday at Alpha Center

The Alpha Center for Women will hold its annual Open House on Sunday, April 17, from 1 to 4 p.m. and April 18, from 1 to 3 p.m. By holding the Open House for two days, they hope to make the house more available to everyone interested. The Alpha Center is located at 2104 Cleveland Avenue.

The center is an organization of concerned volunteers dedicated to serving pre-

nant women in distress and their families. The aim of Alpha Center is to assist young women in directing their lives toward a more rewarding future. There is no discrimination made as to race, religion, age or ability to pay, according to the president.

Further information is available at Alpha Center by calling 876-2030, and is a twenty-four hour service.

A reminder of the

For

meeting to be held at Walton's Cottonwood Mall on April 27 was noted by Jane Stevens, social committee chairman.

Norma Rains ways and means chairman invited members to a pot luck supper to be held at her home on Friday, April 29, at the close of the chapter patio sale to be held at her home 2001 Gifford Ave.

A note of thanks from Jane Stevens for the memorial read given her late mother was read.

An election of officers for the 1983-84 year was held. Officers elected to serve were: president, Delores Dorch, vice-president Norma Rains, treasurer, Pat Tsigolaroff, recorder, secretary, Lois Mae Lombardi, corresponding secretary Jane Stevens, extension officer Evelyn Tolliver, and sorority council representative Imogene Forrest.

The hostess served dessert, coffee and tea to the following members: Delores Dorch, Imogene Forrest, Arlene Haldeman, Lois Mae Lombardi, Norma Rains, Jane Stevens, Ruth Stoyanoff, Evelyn Tolliver, and Pat Tsigolaroff.

The honorees were presented with an anniversary gift from the guests.

Mr. and Mrs. Modrusic are the parents of six children, that includes four sons, John

and Ed Modrusic, both of Granite City, and Frank and Andy Modrusic of Madison, and two daughters, Catherine Modrusic and Mrs. Barbara Kary of Madison.

They also have seven grandchildren. Mr. Modrusic retired in 1977 from American Steel Foundries after 40 years of service.

Moose Lodge 272 enrolls candidates

The Loyal Order of the Moose, Lodge 272, conducted a special ceremony for 12 new candidates for membership, last week, at the lodge located at 19th and Adams streets.

Governor Jim Tadlock welcomed 150 members and presented the ritual team that included, John Parker, Kenny Hancock, Pete Schmit, Joe Smith, Don Stout.

New members taking part in the ceremony were: Richard Reinhart, Andrew Martin, Rex Cryen, Clint Guffey, Walter Barunica,

COMPLETES BASIC
Army Private Timothy P. Hasty, son of Richard and Grace A. Hasty, 6 Parkway Woods, completed basic training at Fort Dix, N.J. He is a 1982 graduate of Granite High School South.

Walter Spain, from the Cahokia Lodge, was the guest speaker. For the program he used a film of the activities at Mooseheart and Moosehaven.

A chicken dinner, prepared by George Lipscomb, was served by Mrs. Lipscomb, Venie VonNida, Sean Telor, Pat Macke and Marylou Williamson.

The remainder of the evening was spent in dancing to the music of "The Odd Couple."

Bridal shower fetes Mary Beth Brewer

Mary Beth Brewer of Granite City was honored at a bridal shower March 20 at the township building, given by aunts of both the prospective bride and groom.

Mary Beth, the daughter of Mr. and Mrs. William (Dorothy) Brewer, will marry Nelson Hagnauer Jr., son of Mr. and Mrs. Nelson (Bernadine) Hagnauer Sr., May 6 in a 7 p.m. ceremony at the United Methodist Church. Parents of the couple reside in Granite City.

Tables in the township hall were decorated with bud vases containing yellow daisies and pink carnations. Candles also were on the tables. A buffet luncheon was served.

Hostesses included Jean Hamilton and Betty Fecurka, aunts of the bride; and Mrs. and Mr. E. Hagnauer, Cassie Hagnauer, Janet Hagnauer, Ruth Kreishoff and Cecelia Mateyka, aunts of the prospective groom.

Guests included Jean

Annette York and Douglas Wilmsmeyer

Wilmsmeyer-York

Mr. and Mrs. Charles (Pamela) York, 2433 Edwards St., are anticipating the engagement of their daughter, Miss Annette Christine York to Douglas Alan Wilmsmeyer, of St. Louis.

Her fiance was graduated from St. Louis University High School in 1978, and from the University in 1980. He presented awards in administration at St. Elizabeth Medical Center.

The engaged couple plans to be married on Aug. 6 at St. Elizabeth Roman Catholic Church.

This was the first time the sisters celebrated their birthday together since early childhood, the family related.

Out town guests attending were, Jimmy Triplett of Webster, Okla.; McDaniel of Wilberton, Okla., Mr. and Mrs. James Nolen and daughters, Jamie Nolen and Donna Fries and grandson, Ryan Fries from Mena, Ark.

Sandwiches and a variety of beverages will be offered for sale during the night and door prizes and an auction will be conducted for auctions using play money. Jim Prindable will serve as auctioneer for the affair.

Tickets are \$3 at the door and will be redeemable for

Monthly potluck of Golden Agers Club

The monthly potluck luncheon of the Golden Agers Senior Citizen Club was held at the Kirkpatrick Home Recreation Center, attended by 48 members and three guests.

Guests included Bob Thomas, Ronald Kemp and David Morgan.

Serving in the kitchen committee were Caroline Lux, Tom and Juanita Crawley, Edith Young and Jenny Peters.

The afternoon was spent in playing various games with prizes, including June, June Cravely, Loretta Wysocki, Evelyn Stark, John Baker, Mildred Rees and Martin Schultz.

The business meeting is planned for 1:30 p.m. on Tuesday, April 26, 1983, at the home of Peggy Schart.

HEINTZ REPORTS

Marine Lance Cpl. Edward J. and Gloria J. Heintz of 1220 W. Pontoon Road, has reported for duty with the Second Force Service Support Group, Camp Lejeune, N.C.

They have selected the name of John Paul for the new

name of their son, who weighed 7 pounds, 3 ounces.

Grandparents are Mr. and Mrs. Jon (Melba) Taroff and Mr. and Mrs. Paul (Dorothy) Dickerson, all of Granite City.

AAA Maintenance-Carpet Cleaning—Call 931-0420

The annual Quint County meet set for April 21

The meeting of the American Legion County Councils will convene at the Venele-Madison American Legion Post 307 on Thursday, April 21.

A 6:30 p.m. dinner will precede a 7:30 p.m. business session with the district, division and department officials in attendance.

Chef's at Gino's Locale Pizzeria will be honored at the celebration, according to the announcement.

Education in Russia is chapter program

The members of Alpha Eta Chapter of the Delta Kappa Gamma Society International met at the Newington United Methodist Church.

President Lucille Stevenson, of Alton, presided. The meeting, at 6 p.m. was followed by a potluck led by Linda McDonnell.

The next meeting will be a joint meeting of Alpha Eta, Beta Eta, and Gamma Epsilon Chapters on April 30 at the Holiday Inn in Alton.

Aftre a steaks dinner, the business meeting was held. Eva Lee McDonnell reported on the first annual National Women's History Week program that was held on March 12; of interest were the several women of achievement in history who were mentioned.

Elizabeth Briggs, membership chairman, noted results on the balloting of new members. She announced that nine women had accepted into membership.

A report was given by Vera Jones on the preparation for the upcoming Lambada State Convention in Chicago on April 15-17.

Patsy Goss, program committee chairman, reported Alpha Eta Past President Agnes Fryntzko, principal of Parkview Elementary School, who presented an interesting program on "Women in Education in Russia." Mrs. Fryntzko, dressed in native Russian attire, gave a slide presentation with narration; she also provided a large display of souvenirs, gifts, and other items from Russia.

After the program the members enjoyed a singing "Haida" and dancing "Troika" led by Linda McDonnell and Sara Carpenter.

At the previous meeting Muriel Katz gave special recognition to teachers in special education. During this meeting Anna Mae Stewart gave special education.

During this meeting Anna Mae Stewart gave special recognition to members in special programs and supportive services which includes counselors, social workers, and librarians.

Nelda Edwards, program committee chairman, announced that \$44 had been collected for Project North America; Linda McDonnell, Helen Barnard, and Rowena Lutz

Clematis is program of Garden Study Club

Mrs. Margaret Huesman gave a talk on the "Clematis," a flowering vine, at the monthly meeting of the Garden Study Club held in the home of Mrs. Wilmer Winter, 4616 Vine Blvd.

The informational presentation was taken from the Horticulture Magazine, Mrs. Huesman conducted. All present repeated the Conservation Pledge, signed by the members of roll call as each member named their favorite garden vegetable.

Plans for the District V Garden Club of Illinois day of instruction, to be hosted by the club, will be held on May 11 at the Highland Brook Recreation Center. A potluck dinner will be served prior to the meeting, the president added.

An announcement was made in relation to recycling glass, metal and papers, and to plant a tree for Arbor Day which is April 29 of this year, and sponsor a plant and

miscellaneous sale. Several exhibits of house plants and herbs were on display at the meeting. Others present were Mesdames C. E. Eads, Robert Stomum, Nick Kostoff, Bill Mihu and a new member, Mrs. Marian Wright. Mrs. Norma Crenshaw will entertain the club members in May at her home, 2024 McCasland, Ave., Madison.

Women who have undergone a mastectomy (breast removal) are being invited to attend the second meeting of a support group being formed at Oliver C. Anderson Hospital. SHARE, and offered free of charge, the program will begin at 7:30 p.m. on Tuesday, April 19, in the hospital cafeteria.

The main topic of the informal April meeting will be clothing for women who have had a mastectomy. Rhonda Koderhandt, a Belleville businesswoman who once had breast cancer, will be the guest speaker. Koderhandt's store features special clothing for women who have undergone a mastectomy. At the SHARE meeting she will show examples of clothing such as nightgowns, bras and breast forms available.

"Our first meeting last month was well attended, considering the snow-slick roads that evening," Karen

Bosen, program coordinator said. "We especially would like to see women who couldn't be with us then - either on the 19th or at any future meeting."

The mastectomy support group is open to anyone who knows, through personal experience, the impact of breast cancer on a woman's life. Women from Granite City, Collinsville, Edwardsville, Maryville, Troy, Highland, Alton and surrounding areas are invited to attend.

Additional information may be obtained by calling Karen Bosen at Anderson Hospital 1-288-5711, extension 447.

MARCH STATISTICS

The office of Granite City Clerk Robert W. Stevens has announced vital statistics for the month of March in Granite City. There were 43 births, 38 deaths and one fetal death in the city.

Computer, business classes lure foreign students to SIUE

The number of foreign students enrolled at Southern Illinois University at Edwardsville is up over last year's count. There are 313 students, compared to 299 at the same time last year.

This year's foreign students originate from 52 countries and six continents. Last year, only 49 nations made up the class. Most of the students come from Asia, with the largest percentage from Malaysia.

Kathryn Kumler, director of the Office of International Education at SIUE, credits the university's efforts for the enrollment increase and the overall popularity of the institution.

SIUE is an excellent opportunity for foreign students," Mrs. Kumler said. "We're a small community located near a large city with many kinds of ethnic foods available. Since SIUE has apartments instead of dorms, they can do their own cooking."

For most students hear about SIUE through their schools or libraries. In the past, SIUE has published advertisements in the American College and Universities Guide to attract potential students.

Director Kumler also says foreign students choose SIUE because "Midwest sentiments are toward the conservative side."

Practically all foreign students choose either engineering, computer science or business as their major field of study. "These fields are the most in demand in their home countries," Mrs. Kumler noted.

FREE CAR WASH

SET APRIL 16

In promoting their belief that "Jesus loves you and so do we," the Ward of Life Tabernacle baseball team is sponsoring a car wash free to the public, Saturday, April 16, from 8 a.m. to 1 p.m. at the Marion Community Center on Pontoon and Nameoki roads.

It had been reported that the car wash was free to those who sponsored a member of the baseball team, but a spokesman for the tabernacle said the car wash is open to any persons interested.

HOW TO MAKE THE MOST MONEY YOUR MONEY CAN MAKE.

With all the different interest rates it's hard to decide how to get the most for your money. One way to eliminate this uncertainty is to lock in today's high rates with one of our longer term CD's.

	Current Interest Rate* %	Effective Annual Yield* %
24 Month CD	9.500	9.964
30 Month CD	9.750	10.239
42 Month CD	9.875	10.377
60 Month CD	10.000	10.515

*These rates effective from April 12 through April 25, 1983.

*This yield achieved if principal and interest remain on deposit for the term. Federal regulations require a substantial penalty for early CD withdrawal.

You can open one of these certificates for just \$500. But with rates like these, you'll want to put most of your money to work making the most it possibly can.

YOU MAKE MORE MONEY EVERY DAY.

If you compare long term certificates, you'll find that some don't offer daily compounding. This means you're not getting the most for your money.

At Illini Federal, all of our long term CD's are compounded daily to give you higher yields.

We have lots of ways to give you the most for your money. To be sure which is the best way, come in and talk to one of our Financial Counselors. Make us your family financial center.

NOW WE'RE ALL YOU NEED.

Obituaries

Richard Ables

Richard Delmar (R.D.) Ables, 90, of 2410 W. 20th St., a member of civic and community organizations, cast his vote in Tuesday's election and later became ill. He was taken by ambulance to St. Elizabeth Medical Center where he was pronounced dead upon arrival at 6 p.m. Tuesday, April 12, 1983.

He was born in Tharpe, Tenn., located in Stewart County, and moved to this area in 1919. Mr. Ables was employed in the boilermaking department at Mallinckrodt Chemical, St. Louis, from September, 1930, until he retired in 1959.

Mr. Ables was a member of Niedringhausen United Methodist Church and held membership in the Land of Lincoln Coin Club, Odd Fellows, VFW Post 1390, Quarter Century Club of Mallinckrodt, and was a charter member of the Old Six Mile Historical Society.

He also was a member of Masonic Lodge #822. On Wednesday night would have received his 65-year membership pin at a lodge meeting. Mr. Ables was a World War I Army veteran and served for many years as a Democrat precinct committeeman, and was a member of a steelworkers local. He died at 6:20 a.m. on Saturday morning. Services were held at the Herbert A. Kassie Funeral Home, 515 Vandalia St., Collinsville.

Survivors include his widow, Mrs. Frances O. Kowal; two sons, Albert Robinson, of Clarksville, Tenn., and Gary of Granite City; a sister, Mrs. Vera Kubahn of St. Louis, and four grandchildren.

Visitation is underway at Lahey-Sedlacek Funeral Home, 501 Madison Ave., Madison, the Rev. Virgil W. Mankus officiating.

Services will be at 1 p.m. today at Pleasant Ridge Catholic Church, 1111 E. Main, Edwardsville. Burial was at the Herbert A. Kassie Funeral Home, 515 Vandalia St., Collinsville.

Nelse Thomason

Funeral services were conducted on Saturday, April 9, at Dickson Funeral Home, Dickson, Tenn., for Nelse Thomason, 71, of Granite City, formerly of Granite City.

He died at 9 a.m. Wednesday, April 6, 1983, at his home. Mr. Thomason was born in Tennessee and resided in the Quonset Hill section of Dickson.

Mr. Thomason worked at the standard gauge department of Granite City Steel during his years of retirement in January, 1974, after more than 33 years of service.

Following his retirement, he and his wife, Ruth, moved to Charlotte, Tenn., where she died in December, 1974.

Survivors include his widow, Georgia Thomason; one son, Franklin Thomason of Granite City, and five grandchildren: Jerry, Terry, Karen and Jeffrey, all of Granite City.

Burial was in Edwards Cemetery, Dickson County, Tenn.

The procedure is intended

services Friday, April 15, at 1 p.m. at the funeral home chapel, with burial in Sun Hill Cemetery, Edwardsville Township.

Albert Kowal

Albert F. Kowal, 66, of Granite City, Ill. for one month; died at 8 a.m. Tuesday, April 12, 1983, at St. Elizabeth Medical Center.

He was born in Madison and also resided in Glen Carbon for a short period of time before moving to Granite City.

Mr. Kowal was a member of St. Cecilia Catholic Church and held membership in the International Association of Machinists and Aerospace Workers Lodge No. 100.

He worked as a machinist for 31 years at General Steel Industries and retired in 1976.

Survivors include his widow, Mrs. Frances O. Kowal; two sons, Albert Robinson, of Clarksville, Tenn., and Gary of Granite City; a sister, Mrs. Vera Kubahn of St. Louis, and four grandchildren.

Visitation is underway at Lahey-Sedlacek Funeral Home, 501 Madison Ave., Madison, the Rev. Virgil W. Mankus officiating.

Services will be at 1 p.m. today at Pleasant Ridge Catholic Church, 1111 E. Main, Edwardsville. Burial was at the Herbert A. Kassie Funeral Home, 515 Vandalia St., Collinsville.

Regina Kusmanoff

Mrs. Regina Kusmanoff, 71, of Wood River, formerly of Granite City, died at 9:25 a.m. Monday, April 11, 1983, at Christian Northeast Hospital in St. Louis. She was in ill health for some time.

Mrs. Kusmanoff and her husband,

Samuel M. Kusmanoff Sr., who survives, owned and operated the Kusmanoff Grocery Store in Wood River 39 years.

Other survivors include one daughter, Mrs. Pat Larsen of Collinsville; a son, Samuel M. Kusmanoff Jr. of Wood River; one sister, Mrs. Mary Merz, and a brother, Roman Ortland, both of Granite City; three grandchildren and a great-grandchild.

Funeral services were conducted at 10:30 a.m. Wednesday, April 13, at the Gray Funeral Home, 205 E. Lorena, Wood River, with burial in Sunset Hill Cemetery, Edwardsville Township.

Clara Peck

Mrs. Clara J. (Arnett) Peck, 48, of Rural Route Three, Collinsville, a widow of Granville Clark, resident died Monday night, April 11, 1983, at Oliver C. Anderson Hospital, Maryville, where she was a patient about one week. She had been in ill health since January.

Mrs. Peck resided in Collinsville since her marriage in 1950.

She was a native of West Virginia and a member of Pleasant Ridge Baptist Church in Maryville.

Among the survivors are her husband, Russell Peck; one son, Brian W. Peck of Collinsville; two daughters, Mrs. Nancy (Kathy) Pierce of Globe, Ariz., and Mrs. Pauline Peck, at home; a brother, James Arnett of Granite City, and two grandchildren.

Services were at 1 p.m. today at Pleasant Ridge Baptist Church, Maryville, with the Rev. Ralph Dollar officiating.

Burial was at the Herbert A. Kassie Funeral Home, 515 Vandalia St., Collinsville.

Nelse Thomason

Funeral services were conducted on Saturday, April 9, at Dickson Funeral Home, Dickson, Tenn., for Nelse Thomason, 71, of Granite City, formerly of Granite City.

He died at 9 a.m. Wednesday, April 6, 1983, at his home. Mr. Thomason was born in Tennessee and resided in the Quonset Hill section of Dickson.

Mr. Thomason worked at the standard gauge department of Granite City Steel during his years of retirement in January, 1974, after more than 33 years of service.

Following his retirement, he and his wife, Ruth, moved to Charlotte, Tenn., where she died in December, 1974.

Survivors include his widow, Georgia Thomason; one son, Franklin Thomason of Granite City, and five grandchildren: Jerry, Terry, Karen and Jeffrey, all of Granite City.

Burial was in Edwards Cemetery, Dickson County, Tenn.

'Stash the Trash'

(Continued from Page 1)
flashes along routes. Transportation to and from work areas will be each trooper's responsibility.

There is no rain date set and, if there would be a downpour, the project will

be cancelled for Saturday, but those involved will be requested to clean their assigned areas sometime during the following week.

Each youth participating Saturday will be given a badge to wear,

designating that he or she is a member of the cleanup team. Free soft drinks will be provided by the Pepsi-Cola Bottling Co., and orange juice and coffee will be furnished by McDonald's Restaurant.

Community Development Block Grants to Madison County, and qualifying areas in the township may obtain some of that money. According to Briggs, the highest priority is the construction of a new playground at State Park, East Madison-Cloverleaf, and Eagle Park areas. "God knows that these people have waited long enough for sewers," he said. "We have put them high on our list of priorities when, and if, we get any funding."

Briggs explained that funds will be allocated to communities which have demonstrated a strong interest in certain projects and plans were drawn up in the early 1960's for this particular project.

"These statistics apply because nothing has changed in the area since then," he said.

Applications for the funding must be in by July 1, and Briggs feels that the township stands a good chance of getting a grant. "It's not exactly first-come-first-served, but it's the ones that are most likely to submit your report," he said.

Trustee Lee Adams chided Mehelec, saying that the budget cuts did not affect the cost of the cleanup

plan in any way. "The cuts were made in your personal expenses — your gas and attorney fee," he said. "This program has nothing to do with them."

Commenting on Mehelec's statement, he said, "I think it's going to be for the good of the people. Adams said, "This is a worthwhile program. If it is operated properly, it can be done for \$24,000. What we don't want is the crews spending eight hours doing four hours in the 12 precincts when it can be done in three or four days."

Adams suggests that schedules of pickup days (tentatively the third Saturday of each month) be published in the newspaper, and precincts will be visited according to the schedule. "The crew can make the rounds according to the schedule, and be finished within three or four days," he added.

Trustee Joe Garcia also reminded Mehelec that gasoline usage at the township was to be recorded daily and presented in monthly reports to the board. The request from Lee Adams had been approved in February and Mehelec has refused to comply with the order. "We are asking you nicely to submit your monthly reports to the board," Garcia said. "Why don't you just let us know so that we don't have to fuss and fight about this all the time."

Mehelec reiterated his previous response, saying that he is doing what is required of him and doesn't care at all if he is fighting a losing battle. "I would like us to get a committee together and talk about this like grown-ups."

In other business, Supervisor Harry Briggs reported that the Jobs Bill recently signed by President Reagan allocates \$1.2 billion for

community development grants to the state, and the amount of \$20,000 for the board and \$40,000 for the highway commissioner.

Briggs also informed trustees that an animal inoculation clinic will once again be held at the township office at the end of April or the beginning of May. Dog owners will be able to inoculate their pets against rabies at a low cost, and Dr. Leland Holt, a local veterinarian, will provide the necessary staff and equipment to run the clinic.

be cancelled for Saturday, but those involved will be requested to clean their assigned areas sometime during the following week.

Precinct votes in election listed

Granite City voters picked aldermen in seven wards and gave a vote of confidence to city Street Superintendent Mac Warfield during the city election Tuesday.

Two incumbent aldermen, Warren Decatur in the Fourth Ward, and Walter Miller in the Sixth Ward, appear to have been voted out of office, although Miller's vote is only three short of victory and he says he is almost certain he will remain a recount if the official canvass of the votes does not total the totals.

Two incumbent aldermen, Warren Decatur in the Fourth Ward, and Walter Miller in the Sixth Ward, appear to have been voted out of office, although Miller's vote is only three short of victory and he says he is almost certain he will remain a recount if the official canvass of the votes does not total the totals.

Granite City voters picked

aldermen in Precincts Eight, 16, 17, 20, 26, 30, 33 and 35, in order, while 12, 13, 18 and 27, in that order, were 39, 22, 34, 46, 67, total 228.

In the Second Ward, votes for Alderman Phillip Miller in Precincts Seven, 11, 14, 15, 17, 18 and 20, in that order, were 19, 13, 20, 32, 55, 27, 70, 69, total 405.

In the Third Ward, votes for Alderman Paul Fisk in Precincts Four, Five, Six, Seven, 11, 12, 13, 15 and 26, in that order, were 10, 49, 60, 50, 46, 39, 21, 58, 14, total 346.

Man faces two traffic charges

A 19-year-old Pontoon Beach man was taken Tuesday to the Madison County Jail following his arrest Monday on a charge of driving under the influence (DUI) of drugs and reckless driving.

Lawrence Rinehardt, 19, of Nelson Drive, pleaded not guilty before Associate Judge Norman Kinder at the Granite City court before being transported to the county jail.

He was arrested at 9:20 a.m. in the 300 block of Pontoon Road after police alleged him driving in the wrong lane.

Police reports indicate that Rinehardt could not obtain bail money and was held pending his court appearance.

Mrs. Groothuis presents lesson

"To Thine Own Self Be True," by Cort R. Flint, was the topic of a devotional lesson presented by Mrs. Linda Groothuis to members of the Mount Zion General Circle of Niedringhaus United Methodist Church.

Mrs. Phillip Bills, 316 Davis Ave., entertained the members and Mrs. Debbie Grotzke, leader of the opening prayer. Mrs. Dolores Vogeler, co-leader, gave the Least Coin devotion entitled, "Meditation" by Mary Louise Ra-

The Pre-Mission Saturation meeting will be held, April 28, at the Troy United Methodist Church featuring Dr. Robert V. Marble, who served as a missionary in India. Dr. and Mrs. Marble will speak of Global Missions of the Methodist Church.

Plans were announced to use the church bus for transportation and those interested are to contact Mrs. Shirley Lane, pastor's office. Mrs. Lane and Mrs. Vogeler are making a banner for the unit to be taken to the meeting, the leader noted.

St. Paul's to chose baby king and queen

A massive baby hunt is underway at St. Paul's Church of the Nazarene, 4300 Maryville Road, until May 15, for an infant king and queen to be honored at the church in May.

The program is under the direction of Sue Harris. Any child is eligible between the ages of birth and two years old. To enter, a child must be presented to the winners and the parents are advised to go to the church or call 931-6053 or 931-2284 for an appointment to have the baby's picture taken.

Beginning Sunday, April 17, and the following five Sundays everyone attending Sunday School at 9:30 a.m. or worship services at 10:45 a.m. will be able to cast a vote for the "king" and May 15, the Rev. Jerry W. Harris, pastor, announces.

Concert Sunday at Bethel A.M.E. Church

The Greater Faith Gospel Chorus of St. Louis, will be in concert at Bethel A.M.E. Church, 1035 Market St., Vandalia, on Sunday, April 23.

Host pastor, the Rev. Alfred Johnson, announces the musical event will begin at 4 o'clock in the afternoon. Lillian Evan is president of the church organization.

Sarah Circle welcomes guest

Miss Josephine Gertsch was selected as a guest at the April meeting of the Sarah Circle of Niedringhaus United Methodist Church, held in the church parlor last week.

Hostesses for the day, Misses Mabel Stewart and Katherine VanOrder and Mrs. Lucy Weaver, served lunch to 22 members.

Mrs. Mary Ahlers, circle teacher, offered the table blessing followed by the devotions given by Mrs. Paula Smith. She chose the topic, "Words From the Risen Christ" by Billy Graham and taken from the Decision Magazine, for her presentation.

Mrs. Shirley Lane, president of the Women's Society, announced the Church Women United May Fellowship Day will be on Friday, May 6, beginning at 9:30 a.m. at the Farmer Memorial Center, 900 W. Washington St., West Madison. Mount Nebo Baptist Church will host the annual meeting.

The Least Coin lesson was taught by Mrs. Clara Sotiroff and in closing the members recited the Global Prayer.

LOVE TO BE TOPIC

Donna Schmidt, social worker with the Community Counseling Center in Alton, will discuss "Love and Marriage" at the workshop during Women's Week, April 18-22, at Southern Illinois University at Edwardsville.

The workshop is set for Tuesday, April 19, at 2 p.m. in the Hackberry Room of the University Center.

Entertainment was provided by Dr. Rod Key and Mrs. Chapman gave a lecture titled "How to Host a Party." The May 14 meeting will be at 9:30 a.m. at the Farmer Memorial Center.

The Rev. Jerry W. Harris, pastor, announces.

Circle plans pastor's day

The Ella Mae Missionary Circle of Mount Zion General Baptist Church met last week to discuss Pastor's Appreciation Day is to be held Sunday, May 1.

Chairman Carolyn LeMaster presided over the meeting and led the group in song. She then presented a talk on "Have You Ever Been Lonely?"

During the business meeting, it was announced that a one day missionary convention of the Illinois Association will be held at the West Side Baptist Church, 3550 Western Rd. St. Ann, Mo., Saturday, April 22.

Members also agreed to send a donation to the Robert Carr family who are serving as missionaries in the Philippines Islands.

A spaghetti dinner was served to those attending by hostess Mary Goodall.

Fidelity Class installs officers

Members of the Fidelity Class of Nameoki United Methodist Church traveled to Duff's Restaurant in Alton for a meeting and returned to the church to hold formal installation ceremonies for the newly elected officers.

The dinner prayer was given by Mrs. Tharha Evans.

Bart Russell gave the oath of office to Vilain Jaimet, president, Mrs. Erney, vice-president, Thelma Chapman, secretary, Sara Belle Berta, treasurer, Gladys Key, parliamentarian, Rev. Russell, Ralph Bailey and Mrs. Dorothy Wallace will serve as class teachers for the year.

Mr. Jaimet presented a gift to the retiring president, Frank Carroll, on behalf of the group.

Birthday honorees were Neil Tally, Mrs. Berta and Mary Bailey and Mr. and Mrs. Ralph Bailey and Mr. and Mrs. Frank Carroll, observed their wedding anniversary.

Entertainment was provided by Dr. Rod Key and Mrs. Chapman gave a lecture titled "How to Host a Party." The May 14 meeting will be at 9:30 a.m. at the Farmer Memorial Center.

Others attending were Pete Berta, George Chapman, Mr. and Mrs. Clarence Wallace, Mr. and Mrs. Homer Blumentock, Mr. and Mrs. John Johnson, Mrs. Key, Pauline Canham, Mildred Robertson, Blanche DeBow and Bess Rucker. Guests from Alton were Dorothy Ashford and Mrs. Jessie Sayers.

The Rev. Jerry W. Harris, pastor, announces.

ANNUAL ART SHOW

The 13th annual art show, an open juried competition sponsored by the Greater Mississippi River Art Council, will open for entries on May 12 and run through June 30 at the Stratford Motor Hotel, Alton. Area artists over 18 are invited to participate. Receiving dates for entries are April 23 and 24 from 2 to 4 p.m. and April 25 from 7 to 9 p.m.

The world seems to be filled today with seekers — people running to and fro in the frenz. The problem is that no one seems sure of what it is they are seeking for.

May I remind you that we are created in God's image and were created for the purpose of worshipping God. There is nothing on earth, outside of God, that will satisfy you for a long period of time. The reason? You are not worshipping God in spirit and in truth.

Hear the word of the Lord: "He who comes to me will not be cast out." One prayer, in sincerity, will bring the peace that passes understanding to your soul.

Will you come to Him? To-

MUSICAL TRIO, to present a concert of sacred music Sunday at 2:30 p.m. at the First United Presbyterian Church, 1641 Third St., Madison. They are from left, John Hawn, George Wilkerson and Tom Wilkerson. The gospel musical is admission free.

Gospel concert at Presbyterian Church

The public is being invited to attend a concert of sacred music on Sunday, April 17, at 2:30 in the afternoon at the First United Presbyterian Church, 1641 Third St., Madison.

Selections will include a variety of sacred music performed by John Hawn including music by Bach, Purcell and Young. The original gospel music by George and Tom Wilkerson.

Hawn is the organist and choir director of the First United Methodist Church in Madison and is currently a music student at Forest Park Community College.

George Wilkerson is choir director and guitarist at the First United Presbyterian Church in Madison, and has been writing gospel music and lyrics for about four years.

Tom Wilkerson serves as organist for the Madison Presbyterian Church. He has sung with his wife at Southern Illinois University at Edwardsburg in addition to playing in the band, "Horizons."

Preceding the meeting a noon luncheon was served by music student at Forest Park Community College.

George Wilkerson is choir director and guitarist at the First United Presbyterian Church in Madison, and has been writing gospel music and lyrics for about four years.

Tom Wilkerson serves as organist for the Madison Presbyterian Church. He has sung with his wife at Southern Illinois University at Edwardsburg in addition to playing in the band, "Horizons."

Wednesday, "Children's Night," Thursday, "Pack-A-New Pew," and Friday, "Youth Night."

Rev. Schott extends an invitation to the public to attend and find every service will be available during the evening observances.

The Rev. David Gray of Houston, Mo., will be the featured speaker and has selected a different topic for each of the weekly sessions.

Rev. Schott, Rev. Gray will deliver a sermon on "High Attendance Day," Monday on "Ladies' Night," "Men's Night,"

Wednesday, "Children's Night," Thursday, "Pack-A-New Pew," and Friday, "Youth Night."

Rev. Schott extends an invitation to the public to attend and find every service will be available during the evening observances.

The Rev. Terry L. Woods, son of Richard L. Woods of Reeds Spring, Mo. and Lori Woods, has completed an Army motor transport operator course at Fort Dix, N.J.

During the course, students were trained in the operation and maintenance of military vehicles of less than four and one-half tons rated capacity. Instruction was also given in the transportation of personnel, equipment and supplies.

He is a 1981 graduate of Granite High School South.

Esther Circle hears Mrs. Ruby Corbitt

Mrs. Ruby Corbitt presented the devotion "Everything Is Working For Good" by Mary L. Kupper at the April meeting of the Esther Circle of Niedringhaus United Methodist Church.

The session was held in the church parlor, which Mrs. Ethel Lerch, leader, opened with "The Lord's Prayer."

The Ladies Spring Style Show and Buffet, will be on Thursday, May 12, at 6:30 p.m. Tickets are available from circle leaders or the church office, it was noted.

The general meeting is set for today at 7:30 p.m. Our guest speaker will be Rev. Marcelo Zachary, pastor of the First Presbyterian Church in Madison. Her presentation for the evening will be, "The Ballad of Judas Iscariot," by Robert Burroughs.

Hostesses Pariline Cox and Grace Paddock served refreshments to those named and to Karen Ambuhl, Pearl Campbell, Eula Davis, Dorothy Frohardt, Maxine Haecke, Evelyn Hamrick, Kathryn Off, Shirley Lane and Jean Wallace.

Sisterhood plans annual May banquet

Final plans for the annual mother and daughter banquet were announced at the monthly meeting of the Sisterhood of Dewey Avenue United Methodist Church, held during the weekend at the church.

President Mrs. Evelyn Thomas said the event is set for May 13 at 6:30 p.m. She also introduced birthday honorees, Mrs. Alma Davis and Tracy Thompson who shared the birthday song and decorated cake.

Others attending were Mothers Edna Fricker, Mamie David, Madora Shaw, Millie Sherman, Emma Elmore, Elsie Byrd, Penny Webb, and guests, Theresa, Robbie and Tracy Thompson of Sullivan, Mo.

Niedringhaus to host estate planning seminar

Niedringhaus United Methodist Church will host a special seminar Sunday evening, April 17, at 7 p.m. The topic will be "How To Secure Your Estate," "How to Give the Gift of Life Help In Transfer of the Estate."

Dr. Richard Bailey who is Director of Development of the Washington Area and Community Planning Workbook for Christians will conduct the sessions. Church leaders and pastors from the area are invited to the sessions at Niedringhaus, which are free of charge.

Dr. Bailey will lead an all day seminar at McKendree College on Monday, April 18.

PHI KAPPA DELTA DINNER APRIL 16

The Gateway East Chapter of Phi Delta Kappa will have a dinner meeting on Saturday, April 16, at 6 p.m. at the Red Barn Restaurant, North Bell, Bellwood. The cost is \$7 per person. Wayne Addison, director of special education for Alton Community Unit District No. 11 is the Chairperson for the new Officers.

The speaker will be Mary Lynn, supervisor of Children's Protective Services, Illinois Department of Children and Family Services, who will discuss "Support Services to Aid Children."

The dinner meeting will be an Awards Ceremony to name the "Kappa of the Year" and also to recognize and 25 year members. Members are being encouraged to invite guests or spouses.

PARENTS TO MEET

The first meeting of Parents for Special Education will be Tuesday, April 19, at 7 p.m. in the rear of Central Christian Church, 2020 Johnson Road. Sitter service is available for those wanting to bring their children. Election of officers for next year will take place.

ARRIVES FOR DUTY IN FLORIDA

Sgt. Doyle W. Elledge, son of Louis E. Ellis of 3120 W. 20th St., and Paul V. Ellidge of Chaffee, Mo., has arrived for duty at Eglin Air Force Base, Fla.

Ellidge, an aircraft maintenance specialist with the 3214th Organizational Maintenance Squadron was previously assigned at Suwon Air Base, South Korea.

His wife, Kathy, is the daughter of Jerome F. and Carol M. Preuss of St. Louis.

He is a 1977 graduate of Granite City High Schools.

DAMAGE FIXTURES

Four outside light fixtures at Ponderosa Steak House, 1511 Johnson Road, were damaged by vandals, it was reported this week. Damage was estimated at \$120.

Pontoon Beach How they voted

In Pontoon Beach voting Tuesday for village offices, the Continued Village Improvement Party swept all offices.

The only competition was for village board president, a position won by the incumbent, Paul Bennett of the Continued Village Improvement Party.

In the village's tally, the small number of votes from Nameoki Township were combined with the totals in Precinct Nine and the few voters of Chouteau Precinct 5 in the village had their votes combined with Nameoki Precinct One.

Bennett, a resident in Nameoki Precinct One, Eight, Nine and 10, in that order, were: 117, 29, 71, 98, total 315.

Challenger Don Watson's votes in his precincts were 29, 19, 32, total 80.

For village clerk, incumbent Mary Warren's totals in those precincts were 129, 34, 84, 122, total 365.

Trustee candidates' votes, by precinct, were: John Wilson, 128, 31, 94, 118, total 365; Loren Madison, 127, 33, 77, 123, total 399, and Keith Biggs, 126, 32, 80, 118, total 356.

A total of 256 persons cast straight-party ballots in the village election.

Local students named to SIUE dean's list

Southern Illinois University at Edwardsville had 951 students qualifying for the Dean's List for the winter quarter. Perfect averages were compiled by 319 students.

To qualify for the Dean's List, a student must maintain a grade point average of 4.0 or better and have 12 hours calculated. B is equivalent to 4.0, A to 5.0.

Local students qualifying for the Dean's List are named below. Names marked with an asterisk indicate students with a 5-point average.

Bronze Tablet award to Steve Yencho at UIUC

Stephen A. Yencho, son of Mr. and Mrs. Edward A. Yencho, 2575 Waterman Ave., has been selected as a Bronze Tablet recipient, the highest award a graduating student can receive at the University of Illinois College of Engineering.

An honors convocation to publicly recognize outstanding students and alumni will be held at the University of Illinois Urbana-Champaign, on Friday, April 22, in the Illini Union Building.

Yencho will graduate May 15 with a bachelor of science degree in mechanical engineering.

He has accepted a position with McDonnell Douglas Automation Center in St. Louis this summer and has been accepted for graduate study at Stanford University in California in the fall.

Mr. and Mrs. Yencho will attend the convocation honoring their son. Speaker will be Cordell Reed, vice

STEVE YENCHO

president, Commonwealth Edison Co., Chicago, on "The Role of Technology."

Dean D. C. Drucker will host a luncheon honoring Yencho, following the morning convocation.

Job Awareness Day April 15

A Job Awareness Day for the Handicapped is scheduled Friday, from 9 a.m. to 1 p.m. at Engelbert Hall, 10th Street and Washington Avenue. The hall is accessible to the handicapped and an interpreter for hearing impaired will attend.

The day is designed to bring employers together with physically and mentally handicapped job seekers. Social agencies will be represented for those persons in need of special help.

Due to present economic conditions, not all employers will have job openings, but qualifications needed to obtain work in their businesses still will be discussed.

All Special Education

students from the high schools are being invited to attend. Handicapped adults are being invited to bring resumes and meet with employers anytime during the day.

Twenty-eight employers have confirmed that they will attend.

The Job Awareness Day is sponsored by Parents for Special Education and the Special Education District, with the cooperation of the Illinois Job Service. Serving on the committee are Sue Mills, Don Hagen, Bob Galiano, Dorothy Lijewski, Kay Bratine, Alberta Grady, Carolyn Snoot, Barbara Schmedake and Jean Fisher.

Crashes damage five vehicles

Five vehicles sustained damage in two accidents occurring moments apart this week when a 1975 auto traveling north, operated by Rickie King, 2511 25th Street, Kirkpatrick Homes, allegedly struck the left rear of a 1971 auto, whose ownership had not been determined, at the time of the report, parked on Ridgegate Avenue at the 400 block of Kirkpatrick Homes.

The impact pushed the parked car into a pickup truck, also parked, belonging to David King, 1326 Englehardt Road.

Parks allegedly continued north into a parking area, where he failed to make a curve and allegedly struck the left rear of a parked vehicle, owned by Bert Sechrist, 2516 25th Street, pushing it into the 1972 auto of Billy Smith, 1700 Cleveland Blvd., also parked in the lot.

Parks was charged with reckless driving and failing to reduce speed to avoid an accident.

OPTIMISTS' PANCAKE BREAKFAST APRIL 17

The annual Optimist Club's annual pancake and sausage breakfast is Sunday, April 17, at the Harold Brown Recreation Center, Pontoon Road and Franklin Avenue. The center will be open to the public for breakfasts from 8 a.m. to 1 p.m.

The menu will include sausage, pancakes, milk, coffee, orange juice and specialties, "all you can eat."

Prices are \$2 for adults

and \$1.75 for children. Cartouches will be available for a slight additional cost.

Tickets are available at any Optimist member or by calling 797-6561, where ticket orders can be placed. Tickets also will be available at the door the day of the breakfast.

YOUTH HURT IN LAUDROMAT FIGHT

Called to a disturbance this week at the Monday Morning Laundry on Main Street and Illinois Avenue, officers learned a fight had taken place inside the business firm and a large plate glass window had been smashed.

A 16-year-old youth, who was treated at St. Elizabeth Medical Center following the fight, told police that another youth had started the ruckus and caused both to crash into the laundry. The second person involved could not immediately be located and the incident was referred to the juvenile officer for further action.

Exploratory leaves for non-certified

The Granite City School Board decided 6-1 Tuesday night to expand its exploratory leave program to all categories of school employees.

In the past, the option was offered only to certified personnel. Six teachers have taken year-long exploratory leaves, five later returning to their faculty positions and one remaining permanently in a new field of work.

Particularly in years when the district has been reducing its staff by honorably dismissing employees, the exploratory leave plan was viewed as a way of reducing the number who must be laid off.

It has enabled teachers to test other kinds of employment, while retaining the right to return to District Nine if their new line of work did not prove to be as enjoyable as the education field.

As it now reads, the exploratory leave policy allows the board to "grant a leave of absence for personnel without pay, for one year to explore careers outside of District Nine."

"This policy is in effect for the 1982-83 and 1983-84 years and will be reviewed prior to the 1984-85 year for further usage."

The superintendent of schools is responsible for the issuance and execution of appropriate administrative policy, rules, and/or regulations.

Rules say that all applicants must have "a minimum of six consecutive years of full-time employment in the district."

Such leaves are without pay or fringe benefits during the year, but the applicant may elect to continue his or her insurance with the

district at the employee's expense during the exploratory leave.

Applicants apply in writing prior to May 15. The board, upholding the superintendent's recommendation, may grant the leave in May of the school year prior to the leave. This year's consideration will occur May 17.

The granted exploratory leave must notify the superintendent of their intention to return to their position, or their intention not to return, prior to March 1 of the July-June leave staff.

The leave policy was defended as highly advantageous for employees and as not creating an unreasonable degree of problems for the school system.

Exploratory leave was described as especially helpful during a time when the district is cutting back heavily on its staff size.

Even though approved, the expansion of leaves can be monitored by the board. Its decisions to grant or not grant exploratory leaves are its own and cannot be forced or appealed, the rules state.

Personnel on exploratory leave cannot return from it before the year is over, nor can they do substitute work in the district.

David Partney voted against the change, and Dewey McRae questioned whether the expansion might increase the district's liability in the event of an accident, such as an employee on leave suffering a fall "while climbing the Rocky Mountains."

Awarded medal at Fort Knox

Army Specialist Four Larry T. Sweitzer of Granite City has been awarded the Army Achievement Medal for exceptional meritorious service as the vehicle operator for the main command division, First Battalion, Armor Center-School Brigade at the U.S. Army Armor Center at Fort Knox, Ky.

Spec. 4 Sweitzer left this week for a new duty assignment in Baden-Baden, West Germany.

He is the husband of Mrs. Linda (Kimbrel) Sweitzer of Granite City and the father of Jamie, 3; Stephanie, 2; and Jerry, 10 months. They are planning to join the serviceman in Germany in November.

The citation accompanying the medal commended the soldier for his "outstanding efforts have been conspicuously noteworthy, and he consistently demonstrated those traits so necessary in meeting the day to day challenges of a professional soldier." Specialist Sweitzer's distinguished performance of duty throughout this

SPEC. 4 SWEITZER

period represents meritorious service in the finest tradition of the United States Army and reflect the utmost credit upon him.

Spec. 4 Sweitzer entered the service in August 1981. He is the son of Mr. and Mrs. Clyde (Eva) Sweitzer of Edwardsville.

Supt. Davis said the program could serve to reduce unemployment insurance and workers' compensation costs borne by the district.

A discussion brought out that the district's self-insurance program possibly could be affected by personnel on exploratory leaves as well as those on regular duty.

The leave policy was defended as highly advantageous for employees and as not creating an unreasonable degree of problems for the school system.

Exploratory leave was described as especially helpful during a time when the district is cutting back heavily on its staff size.

Even though approved, the expansion of leaves can be monitored by the board. Its decisions to grant or not grant exploratory leaves are its own and cannot be forced or appealed, the rules state.

Arrest Pontoon man on warrants

Michael Ray LeBrun, 22, of 4356 Breckinridge Lane, Pontoon Beach, was taken into custody by Madison County Sheriff's deputies at 11:30 p.m. Tuesday on three warrants issued by the Granite City Police Department, alleging battery and two counts of criminal damage to property.

The charges stemmed from an incident at 2:30 a.m. Tuesday when police were called to the home of Mrs. Terese LeBrun, 217 Village Lane, by Mrs. LeBrun's son, Dennis, who allegedly pushed in the stomach by LeBrun and sought medical attention at St. Elizabeth Medical Center.

LeBrun reportedly broke furniture, including a stereo and television belonging to members of Mrs. LeBrun's family, who signed complaints alleging property damage. Donna Parker signed the battery complaint.

Hours for the public sale are today until 4 p.m., Friday from 9 a.m. until 4 p.m. and on Saturday from 9 a.m. to 2 p.m.

The Happiness 4, a Swedish family group, which originally began with four members, now has a complement of 10 gospel singers and musicians.

Also this week at the community center, the Salvation Army Home League is sponsoring a three-day rummage sale to benefit the organization's worldwide missionary program.

On Monday in the Granite City court, he was sentenced to serve 30 days in the Madison County Jail at Edwardsville and taken to an ambulance to St. Elizabeth Medical Center.

The charges resulted from an April 8 accident in which

PROCLAMATION for Hire the Handicapped Week, observed here this week, is signed by Madison Mayor Mike Sasyk, seated, and Granite City Mayor Paul Schuler. In the back row are Donald Hogan, of the Illinois Job Service, Carolyn Smoot, member of Parents for Special Education, and Stu Mills of the Regional Special Education Office. Highlights of the week will be a Job Awareness Day for the handicapped on Friday, April 15, from 9 a.m. to 1 p.m. at Engelbert Hall, 10th Street and Washington Avenue, Madison. All area handicapped citizens are being invited to meet with 40 employers and service agencies. The program is coordinated by the Parents for Special Education, Region I, Special Education District and Job Service.

Sentence, fine on DUI charge

Lawrence D. Dew, 36, of Dew's van allegedly struck the rear of a southbound vehicle operated by George W. Roethemeyer Sr., of 4724 Warnock Ave., which was halted in traffic on Neomak Road at Manley Avenue.

A passenger, Marlene F. Roethemeyer, was injured and taken to an ambulance to St. Elizabeth Medical Center.

The charges resulted from an April 8 accident in which

Early planting of corn urged

The ideal corn planting dates in Illinois are in late May or mid-May, according to Ronald E. Cornwell, agricultural adviser in Madison County.

Yield losses from planting later than mid-May are greater than yield increases sometimes seen when corn is planted in April, so growers should begin planning early in order to finish on time, he said, adding:

"Seeds take about 10 days to germinate with early planting. Since soils are warmer near the surface, seeds should not be planted deeper than 1½ to 2 inches."

"Planting population may be increased 1,000 to 2,000 seeds per acre if planting early."

"Full-season hybrids will take better use of the growing season if planted early. If full-season hybrids are planted late, they will suffer moisture and increased risk of frost injury may result, as well as lower yields."

"Early planted corn has a greater risk of frost damage early in the season. But as long as the growing point remains beneath the soil surface, there is little or no danger of yield reduction."

Steals watches from Hub Drug

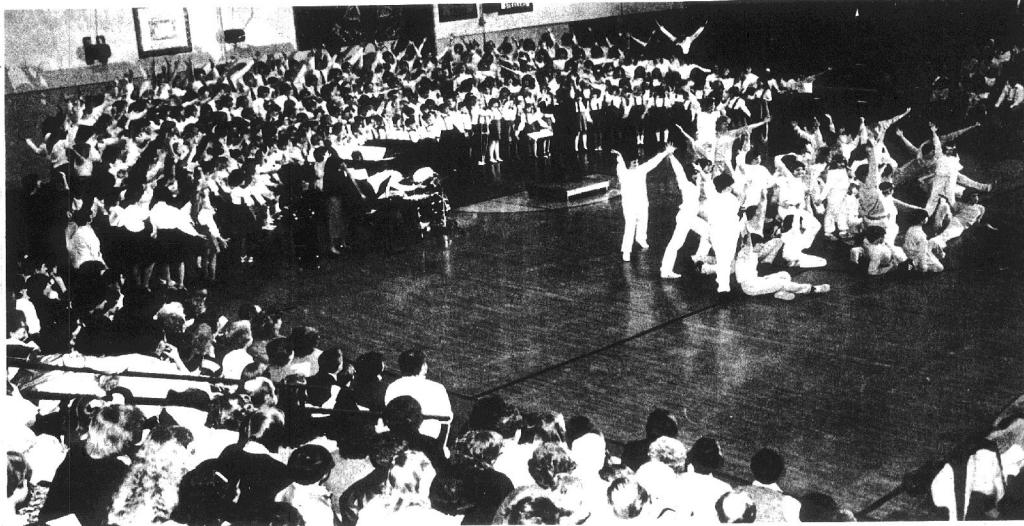

A pocket watch and three men's wristwatches, valued at \$455, were stolen from Hub Drug, 1320 Nineteenth St., it was reported at 3:35 p.m.

Dorothy Wheeler, an employee, reported seeing a man crawling on his hands and knees behind a display case. She then noticed the showcase door was open and the watch was missing.

Mr. Wheeler confronted the man, who denied taking the items and left the store after purchasing some hair combs, she said. The man had short black hair and was wearing dark pants and carrying a large radio.

He was accompanied by two women, also wearing black outfits, she said. Officers checked the downtown area without finding the thief.

TWO CHARGES FILED
Everett C. Welch, 42, was arrested on two counts of battery after Gino Clinton, 20, of John F. Road, was beaten twice there last week. She suffered multiple facial injuries.

FAME, Granite City style, is the finale of the All-City Vocal Music Festival during the weekend in Memorial Gymnasium on the campus of Granite City High School South. Approximately 450 singers from every school in the district participated in the festival, which was directed by Joe Grant, guest conductor from

the University of Illinois. Grant congratulated the parents on their children's abilities and love of music and urged continuation of the district's music programs, despite budget cuts. "I hope you parents will rally behind this program. It is just too important to lose. Too important," Grant stated.

(Press-Record Photo by Gary Schneidert)

Seith to challenge Percy in 1984

Alex Seith, who ran a strong race against U.S. Senator Charles Percy in 1978 and carried Madison County, said during a visit to Granite City during the weekend that he will again be a candidate in the 1984 senatorial election.

"I am not officially announcing at this time, but I do intend to run," Seith told the Press-Record. He said letters to that effect have been sent to all county Democratic chairmen.

"Percy got re-elected by saying, 'I got the message.' I say, 'let's elect the man who wrote the message,'" Seith commented.

He said he will base his campaign on the economy. "There are important economic needs that are not being met, by the federal government. In fact, that is the first thing on the agenda," Seith said, contending that the 1981 federal tax bill

ALEX SEITH

It sends to Washington, D.C. He contends, "A lot of that money is used to encourage businesses to move elsewhere. It is the stupid vicious circle anyone could invent," he added.

Seith said he believes he can defeat Percy, having run such a close race last time. "I carried Madison County in 1978 and did extremely well in the entire state, other than Chicago. I know what I'm going to do differently this time."

Seith noted that he won in Chicago by only 150,000 votes. Adlai Stevenson won in Chicago with 330,000 votes, but lost the state governor's race. If I had Adlai's vote, I would have been a runaway winner almost as did better than 100,000 in 99 of the 100 counties outside of Cook."

He said his game plan in the next election is to "do well in Madison and St. Clair counties, don't do too badly in the Republican counties

and Chicago should do the rest."

"Having run before, people know I'm going to talk about issues and, specifically, bread and butter issues — jobs for the people," Seith said.

He will be returning to Granite City the first weekend in May to meet with some local Democrats.

COMBINED REUNION FOR 1974 CLASSES

A combined reunion is planned for the 1974 graduating classes of Granite City High Schools North and South.

The event is to take place in August of 1984, according to chairmen of the planning committee. Invitations and addresses of classmates be given to the committee by calling, 344-3870, 877-1473, 451-0753.

DAMAGE NEW TREES

Six new pin oak trees, planted two weeks ago in Worthen Park, had been broken in half by vandals, a Granite City Park District maintenance worker reported Monday.

2 COUNTS DISMISSED

Associate Judge Edward F. Fornasini dismissed two motions by the state's attorney, two counts of Sept. 25 Madison Johnson theft against Londos Smith Sr., 39.

JUMP-A-THON NETS \$1,900 TOTAL

A Jump-a-Thon, sponsored by the National Honor Society of Granite City High School South, held in the school gymnasium netted \$1,900, which was donated to the American Heart Association.

There were 90 members of the organization that participated in the fund-raising project, under the direction of Helen Veltman. Participants included Ruth Noeth and Betty Bartels and chaperones Vicki Siers and Mrs. Zikovich.

BOMBS AWAY — Investigators destroyed five vehicles with bombs Sunday morning at Cahokia Downs Race Track as part of the Southern Illinois Arson Investigators Association Fire and Arson Conference, which

was held at the Holiday Inn in Collinsville. Participants in the explosives training were required to determine what types of explosives were used in the blasts. The seminar was co-sponsored by U.S. Treasury agents. Photo by Pete S. et al. m. a. n.

Volunteers sought for Cancer Crusade

Jim Holland Jr., this year's residential chairman for the Cancer Crusade, has announced that help in the fund-raising effort has been offered in all but two precincts in the Quad-City area. The two precincts lacking are Precincts 3 and 26.

Holland says he is hoping that before the drive begins Sunday, a church group, youth group, social club or political organization will

contact him at 451-9293 and offer their services. The task is to organize other people in the neighborhood to solicit funds and furnish to residences the educational material detecting and curing cancer.

"The cure for cancer is in sight. We must do our share to continue the support of a tremendous research effort to find the cure now. Won't you help by contacting me at 451-9293?" Holland asked.

Son-Life services at new facility

The Son-Life Fellowship now is conducting all its regular school year services in its new facility, the old Vandalia Campus of Collinsville High School, 1203 Vandalia St., it was announced.

The auditorium has a seating capacity of 3,000 people.

Son-Life Fellowship provides a nursery and ministry for children up to 12 years old at the regular services on Sundays at 10 a.m., 12:30 p.m. and Tuesdays at 7:30 p.m.

A ladies' Bible study is conducted on Tuesdays at 10 a.m. with a nursery for children up to 5 years old.

The Rev. W. Amerson said the public is invited to attend services, April 25 deadline for 3-2-4.

The deadline for entries in the Madison County Drug Abuse Essay and Poster Contest is Monday, April 25. The drug court committee "The evils of drug and alcohol abuse."

Divisions include kindergarten through third grade, 12-inch by 18-inch poster; fourth through sixth grade, 10-word essay; seventh through ninth grade, 150-word essay; and 10th through 12th grade, 250-word essay.

Essays will be judged on content and originality, as opposed to grammar. Essays should deal with opinions and experience.

All entries should contain names, addresses, telephone numbers, school, grades, teachers and school telephones. Entries will not be returned.

The objective of the con-

test is to provide young people with an outlet to study, discuss and analyze the evils of drug use and to encourage them to make a choice for responsible drug-free life styles, a spokesman said.

Students are to turn entries into their school administrators and principals are asked to contact Jean Schram of Plasa Health Care at 1-656-8112 if entries are submitted.

Persons interested in coordinating the activities, judging, or contest or soliciting awards for prizes may contact Jean Schram at the above telephone number or Virginia Rulison in the Madison County State's Attorney's Office, 1-692-4550.

Prizes range from \$5 to \$75. About \$2,500 in prize money will be awarded in May. The Madison County Bar Association donated \$500 in prize money to be distributed among students in the Collinsville area.

The contest is sponsored by the Madison County state's attorney and sheriff, the regional superintendent of schools, the Southwestern Illinois Law Enforcement Commission, Plasa Health Care and the Edwardsville Parent Against Drugs. The resources currently are soliciting funds to be awarded in area communities, a spokesman said.

McKendree offers RN classes

Registered Nurses who are interested in completing their bachelor of science degree in nursing may do so by taking evening classes at the hospital in Alton. An informational meeting and registration will be Monday, April 18 from 3 to 5 p.m. in Hatch 2 at Alton Memorial Hospital.

Classes offered this summer, sponsored by McKendree College in Lebanon, will be Leadership in Professional Nursing on Thursdays from 5 to 9 p.m. from June 1 to July 14; Seminar in Nursing on Thursdays from 5 to 9 p.m. and History.

Recent America on Mondays from 6 to 9 p.m., both from June 1 to Aug. 26. All classes will be at Alton Memorial Hospital.

Traffic fatalities on Illinois highways and roads during March decreased 13.9 percent from the same month of 1982, 93 compared to 108. The March 1981 toll was 100.

The 322 fatalities for the month of March 1983 are an increase of 11 percent from the 290 deaths for the same period of 1982, and a decrease of 14.4 percent from the 376 deaths in February-March 1981.

In the past month, there were 13 pedestrians killed in 13 accidents, 11 persons killed in nine accidents involving motorcycles, and one person killed in a railroad accident.

There were two Madison County fatalities in March. The three so far this year are down sharply from this country's eight road deaths in the first quarter of 1982.

New police officer

Nedwin James Tapp Jr., a U.S. Navy veteran and former police dispatcher, starts duty Friday as a probationary patrolman with the Granite City Police Department. It was announced by Chief Ronald Vetter.

Tapp was appointed March 24 by the City Council to fill a vacancy on the force, effective April 15. Police Sergeant Ronald Selp has been assigned as his training supervisor.

The Granite City native will graduate in May from Belleville Area College with an associate degree in law enforcement, a course of study he has been pursuing since 1979.

With the exception of his first two years of schooling, when he attended Blair School in Madison, Tapp was educated in the Granite City schools.

He graduated in 1971 from Granite City High School South and enlisted in the Navy in August 1971, serving four years.

He worked at the former A.O. Smith plant for the first five months of 1976, leaving the job to enroll in college as a full-time student. He attended Southern Illinois University at Carbondale for two years.

Tapp later became a dispatcher for the Granite City Police Department under the Comprehensive Employment and Training Act (CETA) program, working from May 1978 until the Monoway workers were laid off in July 1981.

At this point, he joined the security force at St. Elizabeth Medical Center,

NEDWIN TAPP
Joins GC Police

where he remained employed until his city departmental appointment last month.

Tapp is married to the former Mary Perdue, a teacher, and the couple has four children.

Chief Vetter said the new officer will start on a 10-week probationary Basic Police Enforcement at the Police Training Institute at the University of Illinois, Champaign-Urbana campus, on April 25.

Initially, Tapp was registered to begin the 40-hour course in July, but a vacancy occurred in the April class and the slot was offered to the Granite City department, the police executive said.

TEACHERS ATTENDING STATE CONVENTION

Nineteen area women educators will be attending the Delta Kappa Gamma Society International Lambda state convention at the Marriott O'Hare Hotel in Chicago, commencing Thursday, June 1. Other area educators attending are Dorothy Mitchell, Agnes Fryntzko, Linda McDonnell and Elizabeth Briggs.

Featured on the convention will be professional development, leadership and management skills sessions, writers' workshops and the educational utilization of microcomputers.

Madison City

How they voted

Voters in Madison leaned toward the incumbents and city council candidates in Tuesday's city election, but opponents of the administration collected sizeable votes.

Incumbent Alderman Paul Ashford of the First Ward, William Glasper of the Third Ward and Donald Garrett of the Fourth Ward gained re-election. Garrett was the only one who had no opposition.

Robert Grieve, who had the city administration's backing, won in a close three-way race in the Second Ward.

First Ward

In the First Ward, voters for each candidate in Venice Precincts Six, Eight and Nine, in order of election, were: Ashford 189, 81, 30, total 300; Frank Marsala 139, 65, 20, total 224; and Alfred Endicott, who withdrew from the race, but whose name remained on the ballot, 11, 3, total 15.

Second Ward

Voters for the Second Ward candidates in Venice Precincts Nine and 10, in that order, were: Grieve 124, 161, total 285; Thomas George 137, 89, total 226; and James Raskovsky 18, 91, total 109.

Third Ward

Voters for Third Ward candidates in Nameoki Precincts Seven and Eight, in that order, were: Gushleff 60, 196, 55, total 311, and W.F. "Mick" Strange 62, 117, 44, total 223.

Fourth Ward

The city clerk did not keep a tally on votes for Alderman Donald Garrett in the Fourth Ward because he was unopposed. Of the five precincts in which Garrett was the only Venus Precinct, five were recorded, giving Garrett 121 votes there. The other voters may have to be counted during the official canvass of the votes.

PUT ON PROBATION

Michael Talbert, 19, Alton, has been placed on 10-month probation by Circuit Judge P.J. O'Neill for a Dec. 14 Madison burglary. The charge was filed Dec. 15 and he pleaded guilty Feb. 7.

APPRECIATION PLAQUE is presented to Jack R. Tolliver, right, former president of the Venice Board of Education for eight years and a board member for 16 years, by new Board President Wilbert Glasper, Alvester Salmond, Venice School District treasurer, extreme left, and Board Member George Wade Jr., in the background at right, praised Tolliver's contribution to the school district and community at a reception in the Venice High School Library. More than 50 well-wishers attended the event.

Reception honors Tolliver

More than 50 friends greeted Jack R. Tolliver, former president of the Venice Board of Education, at a recent farewell reception in the Venice High School Library.

Tolliver's resignation from the school board on Feb. 12 ended 50 years of service to the Venice Public Schools, he noted in brief remarks to those gathered in the library.

Both Tolliver and his wife, Evelyn, graduated from Venice High School in 1943 and have remained active in various issues, involving

students and programs related to education. They are the parents of five sons and a daughter.

Tolliver, a retired federal employee, served on the board for the past 16 years and as board president for eight of the past nine years.

He also served as board secretary and as a representative to Special Education Region One. Over the years, he has remained a strong supporter of special programs to aid handicapped youngsters.

At the reception, Tolliver was presented a plaque of

appreciation for his service to the schools and community by Board President Wilbert Glasper.

Rewards were offered by Alvester Salmond, Venice School District treasurer, Board Member George Wade Jr., and Venice Superintendent of Schools.

Tolliver resigned from the school board when he accepted the position as director of public works for the city of Edwardsville. The family has since moved from Venice to the Edwardsville area.

Easter Seal ball is Saturday

The ninth Easter Seal Society of Southwestern Illinois ball will take place on Saturday, April 16, in Meridian Ballroom of Southeastern University in Edwardsville.

Patrons of "the social event of the season" will have an opportunity to talk with John Auble of KSDK

TV, one of the special guests for the night.

The Johnny Polzin Orchestra will play from 9 p.m. until 1 a.m., with a few pauses for possible brief audience requests.

Tickets will cost \$25 per person and include dinner. A \$100 business sponsorship also is available, ad-

mitting two persons.

The campaign for funds, combined with a social activity began in 1975 with its first Easter Seal Ball at Augustine's Restaurant in Edwardsville. Although the crowd was small the first year, the number of guests has grown through the years.

Man jailed for alcohol charge

A Pontoon Beach man spent a night in jail after not being able to pay \$50 bail on a charge of illegal transportation of alcohol.

Ronald Morris, 28, of 4734 Lake Drive, Lol, was arrested at 12:30 a.m. Saturday at Lake and South drives by Pontoon Beach police after a report came in that a car was being driven erratically.

He remained in custody until pleading guilty Monday morning before Associate

Judge Norman Kline at the Granite City court and was fined \$50 plus court costs.

Morris allegedly was seen making a wide turn onto Lake Drive from Pontoon Road and then driving slowly south. A witness told police that the car had been weaving that the car had been weaving.

Police said the car had been weaving.

Judge Kline set the man free on \$50 bail.

THE ECSTASY AND THE AGONY. Lynette Williams of Granite City South (left) celebrates her victory in the 200 yard dash a fraction of a second early Tuesday's dual track meet between Granite City North and South. Struggling to try to catch Williams is North's Emily McWhorter (right). South won the girls' meet 77-50 while North won the boys' meet 82-64.

PRESS-RECORD Thursday SPORTS

In Final Dual Track Meet Steelers, Warriors are both winners in final meet

HEAVE HO! Granite City North's Robert McClellan heaves the shot put during the competition at the Granite City North-Granite City South dual track meet at South Tuesday. Although McClellan didn't place, the Steelers defeated South in the boys' meet 82-64.

(Press-Record Photo by Roger Kramer)

By ROGER KRAMER
of the Press-Record

GRANITE CITY — It was really difficult to tell whether Harry Lang, Granite City North's track coach, or Dave McClain, Granite City South's track coach, wanted most Tuesday in the final dual track meet between North and South.

What was important for both teams because it was the last time the two schools would battle each other in a dual meet. As it turned out, North and South both won Tuesday's meet. North's boys defeated South 82-64, and South's girls beat North 77-50.

On the other hand, just getting the meet over with was the schools' desire. Despite a brief but heavy rain, the coaches decided to continue the meet. The reasons were obvious.

South's boys had not run a full track meet this season while the girls had only run one full meet. North was in a slight position to let the boys run two full meets and two partial meets and the girls can one meet.

For North, there was a big incentive to win the final dual meet. The Steelers held a 7-2 edge in the rivalry, and there was nothing North wanted to do more than increase it.

"I told the boys that we had a lot to win for," Lang said. "I wanted to win this because of the rivalry we've had, and the boys wanted to win it for the same reason...I'm very proud of the boys and all of them went all out today."

For South, there was a big incentive to win the final dual meet. The Steelers held a 7-2 edge in the rivalry, and there was nothing North wanted to do more than increase it.

"I told the boys that we had a lot to win for," Lang said. "I wanted to win this because of the rivalry we've had, and the boys wanted to win it for the same reason."

"At a meeting of the team had Monday, I told them we would have an opportunity no other North track team would ever have, winning the last dual meet against South. I'm very proud of the boys and all of them went all out today."

The Steelers took 10 of the 18 events in the meet and dominated the distance and weight events to give them the edge over South.

In the mile run, Jim Robertson took first (5:05) and Ken Kalka was second (5:13). While South's Steve Houston won the 100 (11.11), John Paul Ballew was first in 11.16 and Keith Pono was third (12.01). South's Todd Scrum was second (11.45.9).

Meanwhile, North took 1-2 in both the shot put and the discus. John Morris was first in the shot (40') and second in the discus (111'). John Paul Ballew was first in the discus (131.7) and second in the shot put (49.4).

A major surprise for North was taking all three places in the 100 meter dash. David Tatum won the event in 11.6 seconds, Jon Dobler was second in 12.21 and Tad Gorrell was third with 12.25.

"I really didn't expect us to take all

three spots in the 100 meters. I thought we would do well, but not this well."

Other North individual winners were David Long in the 110 hurdles (16.26 seconds), Robertson in the 800 meter (2:15.4) and Al Prengel in the 200 (24.9 seconds).

Prengel, Jim Kukla, Gorrell and Tatum were the 400 relay and relay teams that won. The 400 team won in 48.19 and the 800 team won in 1:14.8.

"I thought our distance people ran really strong, and Robertson is an iron man for us. He really did a lot for us today," Lang said. "The boys really had all out effort."

Meanwhile, South's Ed Cowley had some surprises for the Warriors. He was expected to win the 400 meters and did so in 54.3 seconds. He also won the long jump and triple jump and the triple jump with a 42.6 effort.

"I'm very pleased with Cowley's wins in the long jump and triple jump," McClellan said. "Those weren't bad jumps for his first in competition this year."

Other individual South winners included Paul Smith in the high jump (4' 6"), D.D. Smith in the 300 meter hurdles (40") and Paul Whitworth in the pole vault (14' 6").

The South 3200 relay squad, Steve Houston, Todd Isom, Phil Harizal and Nathan Crane, won in 9:15.5, and the 1600 relay team, Dan Sullivan, Jeff Hoese, Bill Smith and Cowley won in 3:41.

"I don't like losing the meet, but I thought we did well for our first meet. All I expected from them today was to give their best efforts," McClellan said.

"We had to get a good performance and they needed to go out and compete."

Meanwhile, South's girls were using their dominance in the distance events to beat North. Of the 27 possible points in the distance races, North only had one point.

Their 2000 relay team, Vicki Rose, Paula Rozycski, Debbie Brandt and Vicki Rose won the 200 in 1:53.2 and the 400 relay team, Rose, Rozycski, Broyles and Coleman won in 1:57.6.

"We lost our best all-around athlete, Vicki Rose, to an injury towards her," McClellan said. "She was put into a very difficult situation, and it's a shame it had to come down to that," he added.

(BOYS)
NORTH 82, SOUTH 64
Shot put: McClellan (GCN) 40-9, Ballew (GCN), Gann (GCS).

1600 relay: South 4:29.

Tough Tigers take pair from Warrior diamondmen

single and stole second. He took third on a ground out by third baseman Brian Pouch and scored on a double to left center off the bat of designated hitter Mike Cox.

The score remained 1-1 through the first five innings as Clawson and senior third baseman Darrel Elmore walked with one out. Then, with two outs, Grier hit a single and Kellie Ray hit an error, scoring Vaneo from second. Clawson lost the shutout, but he nailed down the complete game victory.

Finally, the Tigers added some insurance runs in the top of the sixth. Left fielder Todd Hansel reached base on an error by Dudak and took second on a wild pitch. Catcher Dave Vieth walked and scored on a single by Cox. The leadoff runner scored on a wild pitch and scored second. One out later, Cox hit just one batter with a pitch. He gave up just five hits in giving the Warriors their single run.

The Warriors, nevertheless, had to be pleased with their performance against the Tigers. The two teams' statistics didn't go quite as well for them in the second contest as they did in the first.

Lefthander Lance Parker got the starting nod for South and the senior hurler got himself into trouble with bases on balls. After left fielder Cox walked, Vaneo and Cox scored. Cox then retired Hansel and scored second.

In the top of the second, a leadoff walk again resulted in a Tigen tally.

Designated hitter Mark Blythe drove in a pass and Cox scored on Cox's single.

Newton left the game with four walks, one of them intentional. He struck out twice, gave up six hits and was

charged with four runs.

South scored in the bottom of the seventh without the benefit of a hit. Senior right fielder Mark Vaneo and senior third baseman Darrel Elmore walked with one out. Then, with two outs, Grier hit a single and Kellie Ray hit an error, scoring Vaneo from second. Clawson lost the shutout, but he nailed down the complete game victory.

(Continued on Page 24)

The Comanches used a series of three-run sixth inning to tie the game. South starter Jim Fletcher gave up the first three, while Griffin gave up the tying RBI. Cahokia also scored three runs in the third.

Cahokia scored three runs in the fourth. South first inning. The first six batters up for the Warriors scored.

Phil Dudak walked and Tom Newton hit a home run to clear the bases. Mitchell hit a single, then a double, and Adamitis both reached on errors. Mark Vaneo and Dudak walked to force in two more runs in the first.

Despite jumping to an early lead and almost blowing the game, Modica is happy with the Warriors' 4-3 start.

"We've been playing a lot of close games so far, but I'm real happy to be where we are. The kids have really worked hard this season, and they really wanted to win today. They showed it in the seventh inning," Modica said.

South will play New Athens Thursday at South in its only other game of the week.

Cougar diamondmen take pair away from UMSL

By AL BARNES
for the Press-Record

EDWARDSVILLE — The Edwardsville baseball team swept both games of a collegiate twinbill here Tuesday to run its record to 12-6. The SIUE Cougars wallop the Rivermen of the River City, Missouri, Louis 9-4, in the opener, and won 5-1 in a much rain delayed nightcap.

The victories ran Coach Gary (Bo) Collins' record to 12-4, while UMSL's mark to 7-5. The Cougars have now won five straight and have been rain-dented 14 times.

UMSL's coach, Jim Dix, was a good sport about the team's remarkable record and couldn't resist: "Man this field is like a wind tunnel. The darn wind never stops blowing, does it?"

He was right of course when he blew a constant 20 miles a hour through both seven-inning games. In fact, what would have very likely been a high ball "out" at third for the Cougars in a big, round fourth frame, the first time turned out to be a hit at the Rivermen's third baseman, Dave Downhour, raced over toward the Cougars' dugout, only to have the ball be wiffed back onto the infield by his third behind third base for a hit.

Dave Gray started for the Cougars in the leadoff game but was relieved by Chanae Wilson, a SIUE student from Kansas, went on to post the victory, his third with one loss.

In the rain-drenched second game, Scott Shaffer tossed a masterful three-hitter in his 41st career victory in his 41st season.

Granite City's powerful hitting Tom Greco drove in two runs for the Cougars in the opener and another in the second game with a double. He's currently hitting at a .375 clip.

SIUE 4-1
(First Game)
UMSL 020 020 0-4 2
SIUE 301 401 X-9 10
(Second Game)

UMSL 100 000 0-1 3 4
SIUE 113 000 X-5 9 1

UMSL, which had threatened to take over the lead in the series between the two schools under Jim Dix's coaching, now trail the Cougars by three games, 21 to 18.

The UMSL defeats too, almost surely will cost the Rivermen a post-season berth in regional tournaments. Only Cougars contenders for a spot in that four-team tourney now are Lewis College, Eastern Illinois University and Southeast Missouri State of Cape, And, while the Rivermen have a morbid sense of humor, that is the Cougars' schedule this coming weekend and next:

Friday, Collins and his

team

Sports

Inclement weather continues havoc on sports

By ALAN GIERSTEINER
Sports Editor
of the Press-Record

Rain reckoned havoc again this week on the area prep sports activity, cancelling much of the week's activities. In fact, the only day in which the skies permitted unobstructed activity was Monday. There were rainouts both Tuesday and Wednesday.

Tuesday afternoon, under ominous looking skies, Granite City North's baseball squad attempted its 11th scheduled game of the 1983 spring season. The Steelers and the Alton Red Birds got as far as the fourth inning before the steady rain turned into a downpour cancelling the contest. The Steelers' 2-3 this season, were leading the Alton 2-0 before the downpour.

No one was seriously injured lead when Steve Tritschuk cracked a solo homer over the centerfield fence.

If the game were not postponed, or even if they'd have completed 4½ innings, Ever's horner would have counted, thus breaking Mike Robertson's three-game home run record. Both Tritschuk and Robertson have seven career home runs.

"Things will come for Ever," said Steeler Coach Bob Stegemeier. "He's strong and has a good eye for the ball. If

he's patient and doesn't try for the home runs they'll come naturally."

The Steeler's Daren DePew gave North its second run of the game when he singled home Terry Rujawitz who reached on a walk and stole second.

One reason the Steelers were able to keep the Red Birds from getting three complete innings was right-hander Jim Burton. Despite conditions, Burton controlled the ball well, allowing Alton three hits through three and a third innings before the postponement.

North managed both of its runs on four hits, two in the first and one each in the second and third. There were no errors.

As for Tuesday's game and the other five games will be rescheduled, Stegemeier said he and the other coaches are going to wait until the weather changes before even attempting rescheduling.

Granite City South's tennis team, now 2-2, also sacrificed a Tuesday matchup to Mother Nature. Warrior coach Rich Harmon and Lancer coach Mike Sorenson have slated Tuesday, May 3, as the date the netters will make up that contest.

The Warrior netters and the Steeler nine were not the only Press-Record teams affected by weather this week.

The Venice Red Devils and their female counterparts, the Red Devillettes, have each felt Mother Nature's wrath this week.

Wednesday, the Red Devillettes were slated to open their season at home against Alton Marquette, while the Red Devils were to open their first baseball season in three years against Illinois Gateway rival Livingston on Wednesday.

Each were victimized. The Red Devillettes' game against Marquette has been rescheduled for Monday, May 2, while no tentative date has been set for the Red Devils' baseball game.

Coach Ken Perkins and his Red Devillettes are scheduled to resume their season this afternoon against IGC World, while Chuck Mosby and his baseball nine also travel to Warden. Both are 4 p.m. contests.

Madison High's baseball team, under the direction of first-year coach Ron Gorman, had its first two games rained out Wednesday afternoon. Wednesday's game was already a rescheduled game from April 5th. It has been rescheduled again for Thursday, April 28.

It was in the final match of the afternoon, ninth singles, that the Warriors finally dropped a match. In that match, Edwardsburg's Kip Sorenson and Carl Lewis defeated Kevin Dickerson and Jerry Lakin 6-1, 6-0.

In second singles action, a somewhat more lopsided match, the Warriors' Matt Sheridan downed Jim Gorman 6-2, 6-1.

In doubles action, the Menendez-Sheridan duo teamed to down Ed-

wardsville's first doubles squad, consisting of Gorman and Darren Boggs, in straight sets 6-2, 6-2.

South's second doubles team picked up the Warriors sixth and final victory of the afternoon as Lombardi and Doug Kunkel teamed to down Scott Wetzel and Jim Lakin 6-4, 6-4.

It was in the final match of the afternoon, ninth singles, that the Warriors finally dropped a match. In that match, Edwardsburg's Kip Sorenson and Carl Lewis defeated Kevin Dickerson and Jerry Lakin 6-1, 6-0.

Weather permitting, the Warrior netters will travel to St. Jacob Friday to take on Friday. That matchup is scheduled to begin at 4 p.m.

wardsville's first doubles squad, consisting of Gorman and Darren Boggs, in straight sets 6-2, 6-2.

South's second doubles team picked up the Warriors sixth and final victory of the afternoon as Lombardi and Doug Kunkel teamed to down Scott Wetzel and Jim Lakin 6-4, 6-4.

Susan Beasley, Jim Crews teens of month

Susan Renée Beasley and James Eugene Crews have been named Teenagers of the Month by Granite City Elks Lodge No. 3.

Miss Beasley, 17, is the daughter of Mr. and Mrs. Glen (Willie) Beasley, 2340 Arnold Drive. Crews is the son of Mr. and Mrs. James (Frances) Crews, 2933 Dogwood Drive.

At Granite City High School North, Miss Beasley is active in the Modern Music Masters, serving this year as historian. In the Vocal Department, she participated in an honor team of the International Thespian Society. She also is a member of the National Honor Society, Science Club, Social Studies Club, Madrigals (swing ensemble), and served as captain for four Queen terms and chaplain intern in the International Order of Job's Daughters.

She has been active in the Mimers and the Peppermint Makers, and was a radio drama announcer at North. She was a second runner-up in the Junior Miss Contest and has entertained for the Business and Professional Women's and the volunteer workers awards banquet at St. Elizabeth Medical Center.

Miss Beasley has had top roles in the homecoming play and the spring musical.

SUSAN BEASLEY

JAMES CREWS

Chosen most promising actress of 1982 at the annual Tropicana awards banquet she was recently the United States National Speech and Drama Award.

An invitation was given to Miss Beasley to attend the President's Distinguished Scholar Weekend.

She is listed in Who's Who in Music.

With a grade point average of 4.210, Miss Beasley plans to attend Southern Illinois University at Edwardsville to study music.

Her hobbies include singing, playing the piano, camping, swimming, acting, writing and attending speech contests.

Next term Aug. 23; kindergarten smaller

The 1983-84 school year in Granite City is to extend from Aug. 23 to June 1, the School Board decided Tuesday night.

Principals are to meet Aug. 19 and a faculty committee is set for Aug. 22, with students reporting the next day.

The 91-day fall term is to end Jan. 26, the 91-day spring semester is to start Jan. 16, with June 1 the final day for attendance.

Holidays for students will be Labor Day Sept. 5, Columbus Day Oct. 10, parent-teacher conferences Nov. 3, Veterans' Day Nov. 11, Thanksgiving Nov. 24, Christmas and New Year's Dec. 23-Jan. 2, Feb. 13 Lincoln's birthday observance, March 25 parent-teacher conferences, March 24 Madison County teacher's institute, Easter week April 16-20 and Memorial Day May 28.

The board also approved six-week 1983 summer classes open to JHS 2 with tuition revenue available from the state for summer instruction, an effort will be made to balance tuition and costs.

High school credit courses will be offered in both high school band and junior high band \$12 per student, and gifted classes for first through eighth graders \$40.

Cosmetology, partly reimbursed by the state, will require a \$15 fee per student. Services offered will be offered on a limited basis, as reimbursed by the state.

Although planning is complete for the next year, the school system will be far different (12 buildings) because more than the present 10 and the late-August start may hinge on successful completion of late-summer tasks.

The employee groupings expire in June. All have begun at least preliminary negotiations, but few early settlements are anticipated, the extent of state financial support is not known to be known until June 30 or later.

Enrollment is seen as smaller in 1983-84 than 1982-83.

Children who registered April 15, 5 for fall kindergarten classes totaled 463. This figure is expected to rise above the 600 mark but probably will not match the current kindergarten tally of 794. Kindergarten is being offered at some private

schools.

The present enrollment,

9,472, also includes 2,981 high school students and 1,521 seventh and eighth graders.

March attendance averaged 93.67 percent in the first to 12th grades and 93.61 percent at kindergartens.

Enrollment is seen as
